

How to Pay Using Childcare Vouchers or Tax Free Childcare

We currently except Tax Free Childcare and Vouchers on all holiday workshops and term time classes over two hours which take place at our Kingsdale Foundation School & De Stafford School sites.

1. Make your booking via our class4kids booking page and click to confirm booking.
2. You will need to make your payment through your childcare voucher provider or via your tax free childcare account straight away and email us with any reference number and the date paid so we can track your payment.
3. We will hold your child's place for you for 3 working days*. If we do not receive the transfer, or confirmation of the transfer, within 3 working days, we will assume you no longer require the booking and it will be cancelled.
4. Once we have received payment via the Tax Free Childcare or Childcare Vouchers. We will update the payment information and you will receive a confirmation of your child's place via the Class4Kids platform.

* If your booking is for a session that is due to be attended within 3 working days of the booking date, please could you send confirmation of your voucher payment to info@freedomacademy.co.uk so we can confirm the sessions for you. This can either be a screen shot of your payment, or you can forward the email confirmation that you receive on making the transfer.

We currently accept childcare vouchers from the providers listed below.

Please do contact us if your provider is not listed and we will register with them.

OFSTED REGISTRATION NUMBER: 2731467
