

Dr. Danielle Schwarzmann Severna Park High School's Business, Partner of the Year 2017

Dr. Schwarzmann has been an integral part of SPHS's Business, Innovation, and Leadership Signature program. Having served on the ICST for 4 years, with over 180 volunteer hours, she has been instrumental in developing unique curriculum preparing our students for the 21st century workplace. She also serves as a guest presenter in multiple classrooms speaking on various topics from green business, carbon trading and economics. She has provided internship opportunities to students at NOAA, which has brought national awareness to SPHS's Signature program as student's projects have been featured on the National Marine Sanctuaries website.
