Welcome to Barb's Centre for Dance 2020-2021 dance season at our Green Bay and Fox Valley locations.

We are excited as we begin our 36th year in Green Bay and our 8th year in Fox Valley. At BCFD we are two locations but one studio, one family and one love; dance! We have one program guide covering both locations - when selecting classes, be sure they correspond with the location you choose to attend. Our goal at BCFD remains to provide the most comprehensive dance education available for students of all ages and skill levels.

The fall/spring sessions begin Monday, September 14th at both locations. Please follow the information provided to register for classes. Also, visit our website at barbsdance.com for online registration and additional studio information. Inside our program guide you will find the following:

On behalf of our instructors and staff, I want to thank you for the chance to work with your child during the upcoming dance season. We strive to make every student become a special member of our BCFD family. The opportunities that our BCFD facilities and our amazing professional staff offer students of dance are among the finest in the entire country. We are proud of what "Barb's" has become and we are so excited to continue inspiring and encouraging young people.

We look forward to seeing you in September!!

Barbara M. Cedergren
Owner and Director of Dance Instruction

Meet Ms. Barb

For the past 36 years, Ms. Barb has owned and operated BCFD. Under her guidance and with the help of her dedicated staff, BCFD has grown to become one of the largest and most respected dance studios in the state of Wisconsin. Many thousands of dance students have experienced not only the professional instruction, but also the sincere praise and encouragement it takes to foster young student's character and self-esteem. *"Praise His Name with Dancing" Psalm 149, v3*

Keeping Our Studio Safe

Barb's Centre for Dance is focused on the safety of our dancers and staff. Hand sanitizer stations will be available at the entrance of each studio as well as in the main lobby. Touchless soap dispensers have been added in each restroom. Studios will be cleaned, we have added time into the classroom schedule to allow for adequate cleaning measures. Please do your part in maintaining general social distancing guidelines and additional measures to ensure personal safety and health. Like every other commercial building we are unable to provide a sterile environment throughout our entire property. We rely on everyone doing their part in order to help slow the spread of germs.
