Because a Trusted Voice Matters

As a seasoned professional voice artist, I'll bring a **warm, authentic narration to your audiobook with an easy touch of funny, when needed.** With 30+ years of voiceover experience of all kinds, your book will come to life engaging, informing, and entertaining your audience. I'll work hard to make it hard for them to put down the book ... uh ... I mean 'close the audio app.' Quality audio, delivered on time and exceeding expectations!

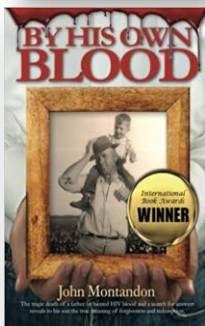

LATEST AUTHOR REVIEWS

STANDING FOR LIGHT AND TRUTH – Adrian Rogers

Sometimes we clearly see God bring everything together for His purposes. **With Larry's unique skills and background, he helped make it possible.** We are grateful for his involvement in this important audiobook project. He is the best. We love him. And you should, too.

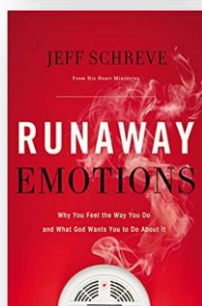

Bobby Lewis, EVP- Love Worth Finding Ministries (Innovo Publishing)

BY HIS OWN BLOOD

After listening for hours to many great auditions, it was clear that Larry was the best choice, by far. After we talked, I knew then he was a great fit. He is a seasoned veteran and grasps the storyline and the many character personalities fully. **He's extremely professional in all that he does and completed the 9-hour audiobook right on schedule.** I strongly recommend him.

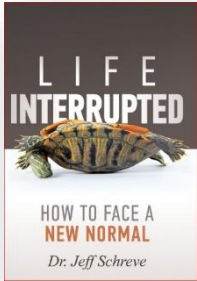

John Montandon, Author - Rockford-Bridgestone

RUNAWAY EMOTIONS:

Why You Feel the Way You Do and What God Wants You to Do About It

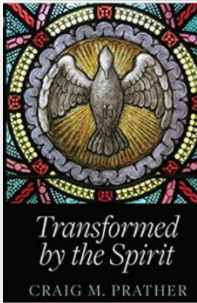

After Larry voiced my first audiobook, there was no question he'd be the choice for Runaway Emotions. I put a lot of my heart and soul in these teaching, so I knew that **Larry had the depth of faith and the vocal (and emotional) chops to engage the listener to a point of understanding while still being entertaining.** He captured my sentiments and spirit just right. **Dr. Jeff Schreve**, Pastor (Harper-Collins Publishing)

LIFE INTERRUPTED: How to Face a New Normal

*If you're looking for a voiceover for your audiobook, let me encourage you to contact Dr. Larry Nobles. **He has such a warm, friendly, approachable voice that surely captured my heart in this book.** I really loved the way he brought these truths to life. He also has a great heart for the Lord and ministry and is just a super guy.*

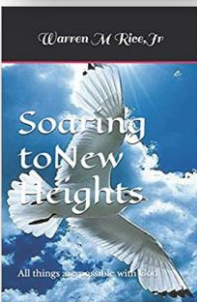

Dr. Jeff Schreve, Author - From His Heart Ministries

TRANSFORMED BY THE SPIRIT

*Larry Nobles brings a soothing sound and smooth enunciation that is pleasurable to listen to. He also has a vast knowledge of theological subject matter. So, **he can brilliantly juxtapose complex concepts with a genuine passion for the material that provides the most amazing audible experience for the listener.** I was very pleased with how good it came out.*

Dr. Craig Prather, Author (Kharis Publishing)

SOARING TO HEIGHTS - by Warren Rice

*I wanted the narrator to be a person of faith. He spoke my words in a genuine and compelling way and **captured God's intention for these words and didn't get in the way.** Rather, he helped point people to the Lord. The great service, quality, and patience with me (it was my first) were a blessing. I will surely call on him again.*

Warren Rice, Author

ADDITIONAL TESTIMONIES

- Larry has years of experience as a professional voice over talent behind the microphone and in front of a camera. **His natural, warm, and non-canned approach is perfect for your next project.** -

Byron Tyler - **Bott Radio Network**

- Dr. Larry Nobles is a consummate communicator. **He knows exactly how to connect voice and words to get a genuine response** and meet the felt need of the listener. His background is extensive, and he knows his stuff. -

Gordon Marcy - **Glorystone TV**

- Larry has stellar professional media credentials, but also a desire to serve. **His Doctor of Ministry degree is evidence of his intellect and servant heart,** and his extensive and varied media expertise is rare. I enjoy working with him. -

Robert McFarland - **Transformational Impact LLC**
