

WOODLOT TENDER

WT-25-08

Woodlot owner is seeking harvest tender bids for a property in the Lower Kingsclear, New Brunswick area (York County).

Total harvest area is approximately 26.2 hectares (64.7 acres) in size.

Road construction will be required.

There are mapped watercourses and wetlands present. Contractors must follow all applicable regulations and all proper work permits and WAWA permits must be obtained prior to harvest.

The prescription for the woodlot is a select cut. Remove all balsam fir, mature spruce, white birch, aspen, poor quality hardwoods and salvageable blowdowns. Retain healthy tolerant hardwoods and healthy younger spruce.

A woodlot tour for interested contractors will be held on November 26th at 10:00 am, to explain harvest prescription and to answer questions.
