

WOODLOT TENDER

WT-21-10

Woodlot owner is seeking Woodlot Tenders for a harvest on a property in the Central Hainesville, New Brunswick area (York County).

Woodlot area is approximately **74 hectares (183 acres)** in size.

A watercourse is present. Contractor must follow all watercourse and wetland regulations and all proper permits must be obtained prior to harvest.

The prescription for this woodlot is a select harvest to remove sections of merchantable timber with understory protection. Allow the younger, healthy hardwood understory to develop.

Additional information is available.
