

WOODLOT TENDER

WT-23-03

Woodlot owner is seeking harvest Tender Bids for a property in the Little Ridge, New Brunswick area (Charlotte County).

Total harvest area is approximately 16.0 hectares (39.5 acres) in size.

There are mapped watercourses present. New road construction is required. Contractors must follow all applicable regulations and all proper permits must be obtained prior to harvest.

The harvest area is limited to two sections of the woodlot. The prescription for section A is to remove all merchantable balsam fir, white birch, and aspen, leaving any younger/healthy hardwood, spruce, and hemlock. Section B is to be selectively harvested with an approximate removal of 40-45% targeting balsam fir, white birch, aspen, and any poor-quality stems.
