

WOODLOT TENDER

WT-24-05

Woodlot owner is seeking harvest Tender Bids for a property in the Fredericton Junction, New Brunswick area (Sunbury County).

Total harvest area is approximately 24.6 hectares (60.8 acres) in size.

New road construction will be required. There are no mapped watercourses or wetlands present. Contractors must follow all applicable regulations and all proper permits must be obtained prior to harvest.

The harvest area will be limited to three sections of the woodlot. Section A is to be commercially thinned with a basal area removal of 30-50%. Section B is to have all merchantable balsam fir, white birch, and aspens removed. Section C is to be treated with a white pine shelterwood.
