

# WOODLOT TENDER

WT-24-06

Woodlot owner is seeking harvest Tender Bids for a property in the Douglas, New Brunswick area (York County).

Total harvest area is approximately 16.0 hectares (39.5 acres) in size.

New road construction will be required. There are mapped watercourses and wetlands present. Contractors must follow all applicable regulations and all proper permits must be obtained prior to harvest.

The prescription for the woodlot is to remove all balsam fir, aspens, mature spruce, and any poor-quality stems. Any young spruce and hardwood are to be left as a future seed source and to help establish regeneration.
