

# WOODLOT TENDER

## WT-24-10

Woodlot owner is seeking harvest Tender Bids for a property in the Yoho Lake, New Brunswick area (York County).

Total harvest area is approximately 61.2 hectares (151.2 acres) in size.

An existing woodlot road is present but may require maintenance.

There is a mapped wetland present. Contractors must follow all applicable regulations and all proper permits must be obtained prior to harvest.

There are two sections of the woodlot to be harvested. One section consists of mainly mature white spruce and balsam fir. All merchantable softwood and poor-quality hardwood are to be removed.

The second section was pre-commercially thinned in 2001-02. The prescription for this area is to salvage and remove all balsam fir and spruce
