

WOODLOT TENDER

WT-25-03

Woodlot owner is seeking harvest tender bids for a property in the Mactaquac, New Brunswick area (York County).

Total harvest area is approximately 23.8 hectares (58.8 acres) in size.

New road construction is required. There are mapped watercourses and wetlands present. Contractors must follow all applicable regulations and all proper permits must be obtained prior to harvest.

The prescription for this woodlot is to remove all balsam fir, aspens, and white birch. Any hemlock, white pine, and healthy and/or young tolerant hardwoods are to be left for a future seed source and to help establish regeneration.
