

WOODLOT TENDER

WT-25-05

Woodlot owner is seeking harvest Tender Bids for a property in the Fredericton, New Brunswick area (York County).

Total harvest area is approximately 13.0 hectares (32.1 acres) in size.

Road construction will be required. There are no mapped watercourses or wetlands present. Contractors must follow all applicable regulations and all proper permits must be obtained prior to harvest.

The prescription for the woodlot is to remove all balsam fir, grey birch, aspens, and poor-quality red maple. All white pine, cedar, and red oak are to be left as a future seed source and to help establish regeneration.
