

# WOODLOT TENDER

## WT-25-06

Woodlot owner is seeking harvest tender bids for a property in the Penniac, New Brunswick area (York County).

Total harvest area is approximately 33.9 hectares (83.8 acres) in size.

Road construction will be required. There are mapped watercourses and wetlands present. Contractors must follow all applicable regulations and all proper permits must be obtained prior to harvest.

The prescription for the woodlot is to remove all balsam fir, mature spruce, aspen, white birch, mature red maple, and poor-quality cedar. All white pine, hemlock, yellow birch, and younger/healthy spruce, cedar, and maple are to be retained for a future seed source.
