To: YSC private wood producers, New Brunswick mills, processors, and wood purchasers

YSC would like to formally notify you that, effective April 01, 2025, the private wood levy will be adjusted to 2.5% on all primary forest products produced within the YSC regulated area. The change was made to update current services we provide and to accommodate the increased operational costs.

We appreciate your understanding and cooperation. Should you have any questions or require further clarification, please do not hesitate to reach out.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Matthew Daigle'. The signature is fluid and cursive, with the first name 'Matthew' and last name 'Daigle' clearly distinguishable.
