

Qualified Logging Professional *Workshop*

TUESDAY, November 15, 2022

Hugh John Flemming Forestry Centre, Regent Street Fredericton, NB

Attention Logging Contractors and Wood Producers; Are You a Qualified Logging Professional (QLP)?

The Canadian Woodlands Forum in collaboration with the YSC Forest Products Marketing Board and the Sustainable Forestry Initiative (SFI) member companies invite you to the next QLP Workshop!

As a participant, you will receive an update of the new SFI 2022 Fiber Sourcing Standard, an overview of the 11 key elements under the standard, resource materials, and your QLP Training wallet card.

Required as part of the SFI 2022 Fiber Sourcing Standard, the workshop is designed for logging contractors and wood producers to help them meet the Qualified Logging Professional (QLP) training and education requirements as set out by the SFI Atlantic SIC Committee.
