

**NON-EXCLUSIVE LIST OF SILVICULTURE CONTRACTORS IN THE YORK-SUNBURY-CHARLOTTE
AREA – 2025**

Disclaimer - please read:

The York-Sunbury-Charlotte Forest Products Marketing Board (“YSC”) provides the following list of silviculture contractors solely as a resource for woodlot owners seeking to identify potential service providers in the YSC region.

YSC does not vet, endorse, certify, or warrant the qualifications, performance, or conduct of any silviculture contractor listed herein. The inclusion of a silviculture contractor on this list does not imply any recommendation or assurance by YSC as to their competency, reliability, insurance coverage, legal compliance, or suitability for any particular silviculture treatment.

Woodlot owners are strongly encouraged to perform their own due diligence before engaging any silviculture contractor, including reviewing references, inspecting past treatment sites, confirming insurance and Workers’ Compensation coverage, and entering into a clear written contract.

YSC shall not be responsible or liable for any loss, damage, injury, or dispute arising from or related to any services provided by silviculture contractors listed herein. All arrangements between woodlot owners and silviculture contractors are made at the sole risk and discretion of the parties involved.

A signed silviculture service agreement with the contractor is required. There are copies of the standard format agreement available at YSC office locations.
