

# Safeguarding and Welfare Requirement: Information & Records

## 10.6 Transfer of records to school

### Policy Statement

We recognise that children sometimes move to another early years setting before they go on to school, although many will leave our setting to enter a reception class.

We prepare children for these transitions and involve parents and the receiving setting or school in this process. We prepare records about a child's development and learning in the Early Years Foundation Stage in our setting; in order to enable smooth transitions, we share appropriate information with the receiving setting or school at transfer.

Confidential records will be shared if there are child protection concerns in accordance with the process required by our Local Safeguarding Children Board.

The procedure guides this process and determines what information we can and cannot share with a receiving school or setting.

#### Procedures

##### *Transfer of development records for a child moving to another early years setting or school*

- Using the Development Matters in the Early Years Foundation Stage guidance and our assessment of children's development and learning, the key person will prepare a summary of achievements in the seven areas of learning and development.
- The record refers to:
  - any additional language spoken by the child and his or her progress in both languages;
  - any additional needs that have been identified or addressed by the setting;
  - any special needs or disability, whether a CAF was raised in respect of special needs or disability, whether there is a Education Health Care Plan, and the name of the lead professional.
- The record contains a summary by the key person of the child.

##### *Transfer of confidential information*

- The receiving school or setting will need to have a record of any safeguarding or child protection concerns that were raised in the setting and what was done about them.
- A summary of the concerns will be made to send to the receiving setting or school, along with the date of the last professional meeting or case conference. Some Local Safeguarding Children Boards will stipulate the forms to be used and provide these.
- Where a CAF has been raised in respect of any welfare concerns, the name and contact details of the lead professional will be passed on to the receiving setting or school.
- Where there has been a s47 investigation regarding a child protection concern, the name and contact details of the child's social worker will be passed on to the receiving setting or school – regardless of the outcome of the investigation.
- This information is posted or taken to the school or setting, addressed to the setting or school's designated person for child protection and marked as 'confidential'.
