

**City of Lakeview Heights**  
**385 Circle Drive**  
**Morehead, KY 40351**

**Phone:** (606) 780-7613  
**Email:** clerk40351@roadrunner.com  
**Website:** lakeviewheightsky.us  
**Meetings:** 1<sup>st</sup> Thursday of the month

**Street Parking** – Once again, we must remind residents that vehicles may not be parked in street in any way, shape, or form for a prolonged period of time. They must never be parked in a way that impedes another resident from entering or exiting their driveway safely, and must never be parked in a way that makes the road impassable. Street parking creates a danger for neighborhood walkers, bike riders, etc. (especially children). The city has fielded multiple complaints regarding street parking over the past few months. We will again be addressing this issue at our next Commissioner Meeting, but encourage residents to call the sheriff's office if a vehicle is parked in the street in a way that hinders their ability to enter or exit their driveway.

**No Soliciting Stickers** – We still have plenty of No Soliciting Stickers for residents who wish to have one. Please call or text Amanda, the city clerk, to have a sticker delivered to your residence. (606-356-9130)

**Get to Know the City's Ordinances** – As we have had several new residents move into the city over the past few months, we want to take a minute to ensure all residents are aware of the city's ordinances. Please take time to review the ordinances on the City of Lakeview Height's website (noted above). After reviewing said ordinances, if you have questions, concerns, comments, etc., please feel free to attend on of our Commissioner Meetings (normally the first Thursday of the month) or reach out to one of City Commissioners or the Mayor.

*Sam Mason, Mayor*  
*Jim Fluty, Commissioner*

*Tim Miller, Commissioner*  
*James Hood, Commissioner*

*Mark Blankenbuehler, Commissioner*

**Dumpster** – The City plans on paying for a dumpster for residents to dispose of unwanted household items. Please remember that you may NOT dispose of any building/demolition-related material, yard debris, or any sort of hazardous waste. Tentative dates for the dumpster will be October 15-22.

**Community Building Rental** – At this time due to the Covid positivity rate in Rowan County, the Community Building is not available for rent. This decision will be revisited on a monthly basis at the Commissioner Meeting.

**Property Taxes** – It is nearly property tax time again. 2021 Property Tax Bills will be mailed out within the next 2-3 weeks. Please be looking for those in the mail and pay them early to receive a discount.

**Cat Complaints** – The city has received multiple complaints about a variety of cats roaming the neighborhood. If you have cats that belong to you, please be mindful of their potential travels to others' property and do your best to keep them happily engaged and entertained on your property. If you come across stray cats on your property, you may consider reaching out to the Tri-County Animal Shelter to determine if they are accepting stray cats into their facility to be put up for adoption.

  
**Sam Mason, Mayor**
