# Happy Halloween

## Enjoy a safe one this Sat.

Hanover, Villages of Hanover and Copperbrook are excited to celebrate the holiday season with the each family, and we want to ensure it's both enjoyable and safe for everyone. If you're planning a party, please let us know so we can coordinate with our deputies to help maintain safety. Here are some important reminders: advise your guests not to block driveways and to stay inside or in backyards to prevent loitering. Please refrain from congregating at the community pools, and keep the music indoors after midnight to respect our neighbors. As Halloween approaches, safety remains our top priority. Be vigilant for children crossing the streets or walking from house to house. If you're participating in trick-or-treating, keep your porch light on to welcome the little ones. Remember, safety comes first—let's make this Halloween safe and enjoyable for all. We will have two deputies on duty to assist. Stay safe and have a wonderful holiday season!
