The principal purposes of the Association are the collection, expenditure, and management of the maintenance funds, enforcement of the restrictive covenants contained herein, and architectural control of the Lots in the Properties. The Association is a member of the Westland Four Association and has the rights and obligations set forth in the organizational documents of such corporation and in the Westland Four Declaration.

SECTION 2. BOARD OF DIRECTORS. The Association shall act through a Board of Directors {the "Board") having a minimum of three (3) and a maximum of five (5) members. The Board shall consist of three (3) members unless or until the By-laws are amended to increase such number. The Board shall manage the affairs of the Association as specified in this Declaration and the By-Laws of the Association.

SECTION 3. MEMBERSHIP. Every Owner of a lot in the Properties shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association.

Class A. Class A Members shall be all persons or entities who own a Lot in the Properties with the exception of the Declarant. After the Conversion Date (as hereinafter defined), the Declarant shall become a Class A Member.

Class B. The Class B Member shall be the Declarant. The Class B membership shall cease and become converted to Class A membership on the Conversion Date.

Class A Members shall be entitled to one (1) vote for each Lot owned within the Properties and the Class B Member shall be entitled to three (3) votes for each Lot owned within the Properties. When two or more persons or entities hold undivided interests in any Lot, all such persons or entities shall be Class A Members, and the vote for the Lot owned by such Members shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to each Lot in which such Members own undivided interests.

SECTION 5. CONVERSION DATE. The Conversion Date shall occur on the earlier of:

- (i) The date the total number of votes of the Class A Members equals the number of votes of the Class B Member; or

SECTION 7. WESTLAND FOUR ASSOCIATION. The Association is a member of the Westland Four Association pursuant to the articles of incorporation of such entity and the Westland Four Declaration. As a member of the Westland Four Association, the Association has the right to cast votes on certain matters of the Westland Four Association based on the number of Lots within the jurisdiction of the Association and is obligated to pay assessments to the Westland Four Association as set forth in the Westland Four Declaration, which obligation is secured by a lien in favor of the Westland Four Association against the Common Area.

ARTICLE IV  
COVENANT FOR MAINTENANCE ASSESSMENTS

SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION FOR ASSESSMENTS. The Declarant, for each Lot within the Subdivision, hereby covenants and each Owner of any Lot within the Subdivision, by acceptance of a deed therefor, whether or not it shall be expressed in the deed or other evidence of the conveyance, is deemed to covenant and agree to pay the Association (i) annual assessments or charges and (ii) special assessments for capital improvements, such assessments or charges to be fixed, established and collected as hereinafter provided. These assessments and charges, together with interest thereon as hereinafter provided, costs of collection, and reasonable attorney's fees, shall be a charge on the land and shall be secured by a continuing lien upon the property against which such assessments or charges are made. Each such assessment or charge, together with such interest, late charges, costs of collection, and reasonable attorney's fees shall also be and remain the personal obligation of the Owner of the particular Lot at the time the assessment or charge fell due notwithstanding any subsequent transfer of title of such property. The personal obligation for delinquent assessments and charges shall not pass to successors in title unless expressly assumed by them. However, successors in title shall nonetheless acquire title to the land subject to the lien securing the assessments and charges.

SECTION 2. PURPOSE OF ANNUAL ASSESSMENTS. The annual assessments levied by the Association shall be used for carrying out the purposes of the Association as stated in its Articles of Incorporation, this Declaration and all other restrictive covenants instruments administered by the Association. The judgment of the Board of Directors of the Association in determining the functions to be performed by the Association, in determining the amount of annual assessments, and in the expenditure of funds shall be final and conclusive so long as its judgment is exercised in good faith, Such funds may be used to finance all or any of the following:

- i. Operation, maintenance, repair, and improvement of the Common Area, the Subdivision Fence and the entryway(s) into and entry monuments of the Properties;

- ii. Payment of taxes and premiums for insurance coverage in connection with the Common Area and for directors and officers liability insurance;
- iii. Paying the cost of labor, equipment (including expense of leasing any equipment), material, and any associated management or supervisory services and fees required for management and supervision of the Common Area;
- iv. Paying the cost and fees of a manager or firm retained to carry out the duties of the Association or to manage the affairs and property of the Association;
- v. Maintaining or replacing any landscaping in the Common Area;
- vi. Designing, purchasing and installing any improvements to the Common Area;
- vii. Mowing and routine maintenance of the Common Area;
- viii. Removing debris from the Common Area;
- ix. Contracting for streetlights in the Properties;
- x. Collecting and disposing of trash, garbage, ashes, rubbish and other similar materials;
- xi. Payment of legal fees and expenses incurred to collect assessments and enforce this Declaration;
- xii. Employing policemen or watchmen and/or a security service;
- xiii. Contracting for insect and pest control such as mosquito fogging;
- xiv. Paying the annual assessment and any special assessments made by the Westland Four Association pursuant to the Westland Four Declaration against the property within the jurisdiction of the Association and the jurisdiction of the Westland Four Association. In this regard, it is noted that although annual assessments and special assessments by the Westland Four Association will be made based on the aggregate acreage within the Lots, the Association will pay such assessment for all of the Lots in its jurisdiction with funds obtained from the annual assessment herein provided for which shall be uniform as to each Lot within its jurisdiction;

- xv. Carrying out the duties of the Board of Directors of the Association;
- xvi. Creation and funding of such reserve funds as the Board of Directors of the Association deems necessary; and
- xvii. Carrying out such purposes of the Association as generally benefit the Members of the Association.

As stated hereinabove, the Association shall not be obligated to perform all of the foregoing functions or any particular function except that the Association shall be obligated to pay assessments to the Westland Four Association as required by the provisions of the Westland Four Declaration. The judgment of the Board of Directors of the Association in establishing annual assessments and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith.

SECTION 3. MAXIMUM LEVEL OF ANNUAL ASSESSMENTS. The maximum annual assessment by the Association for 1995, the initial year of assessment, was \$360 per Lot. The maximum annual assessment may be increased by the Board of Directors of the Association, at its sole discretion, in each year after 1995 by an amount equal to a ten percent (10%) increase over the assessment for the previous year without a vote of the Members of the Association. The maximum annual assessment may be increased above ten percent (10%) by a two-thirds (2/3rds) vote of each class of the Members who are voting in person or by proxy, at a meeting duly called for this purpose. After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the annual assessment at any amount not in excess of the maximum.

SECTION 4. SPECIAL ASSESSMENT FOR CAPITAL IMPROVEMENTS. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, or repair or replacement of a capital improvement located upon the Common Area, including fixtures and personal property related thereto; provided, however, any special assessment which is greater than 25% of the then maximum annual assessment must be approved by a two-thirds (2/3rds) vote of each class of the Members who are voting in person or by proxy at a meeting duly called for this purpose. Notwithstanding the foregoing to the contrary, the Association may levy a special assessment without the requirement of any Member vote in an amount which is required to enable the Association to make payment for all of the Lots of a special assessment levied by the Westland Four Association solely with the funds from such special assessment. Special assessments may be collected on a monthly basis at the Board's election.

SECTION 5. NOTICE AND QUORUM. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 above shall be sent to all

Members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast ten percent (10%) of the votes of the Association's membership shall constitute a quorum. If the required quorum is not present or represented, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meetings. No subsequent meeting shall be held more than 60 days following the preceding meeting.

SECTION 6. RATES OF ASSESSMENT. Both annual and special assessments on all Lots shall be fixed at uniform rates and all Lots in the Subdivision shall commence to bear their assessment simultaneously; provided, however, the annual assessment on Lots owned by Declarant or a Builder shall be assessed at the rate of twenty-five percent (25%) of the assessment on all other Lots in the Properties. The rate of assessment for an individual Lot, within a calendar year, shall change as the ownership of such Lot passes from the Declarant or a Builder, and the applicable assessment for such Lot shall be prorated according to the applicable rate during each type of ownership.

SECTION 7. DATE OF COMMENCEMENT AND DETERMINATION OF ANNUAL ASSESSMENT. The annual assessment provided for herein shall commence as to all Lots in the Subdivision on the first day of the month following the conveyance of the first Lot in the Subdivision with a residence to an individual Owner. The assessment for such year shall be adjusted according to the number of months remaining in the calendar year and shall be due and payable thirty (30) days after notice of the assessment is sent to every Owner whose Lot is subject to assessment except that assessments on Lots owned by the Declarant and Builders may be accrued and paid upon conveyance to an individual Owner. On or before the 30th day of November in each year, the Board of Directors of the Association shall fix the amount of the annual assessment to be levied against each Lot in the next calendar year. Written notice of the figure at which the Board of Directors of the Association has set the annual assessment shall be sent to every Owner whose Lot is subject to the payment thereof. Each annual assessment shall be due and payable in advance on the first day of January of each calendar year; provided, however, assessments on Lots owned by the Declarant and Builders may be accrued and paid upon conveyance to an individual Owner. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer or authorized representative of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot is binding upon the Association as of the date of its issuance.

SECTION 8. EFFECT OF NONPAYMENT OF ASSESSMENTS · REMEDIES OF THE ASSOCIATION. Any assessments or charges which are not paid when due shall be delinquent. If an assessment or charge is not paid within thirty (30) days after the due date, it shall bear interest at the rate of twelve percent (12%) per annum from the due date and at its option, the Board may impose a late charge of fifteen percent (15%) of the amount of any assessment which is not paid within one hundred and twenty (120) days after the due date. The Association may bring an action at law against the Owner personally obligated to pay the assessment, or to foreclose the lien herein retained against the property.

Interest as above specified, late charges, if applicable, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge.

The lien in favor of the Association is created by the recordation of this Declaration, which constitutes record notice and perfection of the lien. No other recordation of a lien or notice of lien shall be or is required. By acquiring a Lot, an Owner grants to the Association a power of sale in connection with the Association's lien. By written resolution, the Board of Directors of the Association may appoint, from time to time, an officer, agent, trustee, or attorney of the Association to exercise the power of sale on behalf of the Association. The Association shall exercise its power of sale pursuant to Section 51.002 of the Texas Property Code, and any applicable revision(s), amendment(s), or recodifications thereof in effect at the time of the exercise of such power of sale. The Association has the right to foreclose its lien judicially or by nonjudicial foreclosure pursuant to the power of sale created hereby. Costs of foreclosure may be added to the amount owed by the Owner to the Association. An Owner may not petition a court to set aside a sale solely because the purchase price at the foreclosure sale was insufficient to fully satisfy the Owner's debt. The Association may bid for and purchase the Lot at the foreclosure sale utilizing funds of the Association. The Association may own, lease, encumber, exchange, sell, or convey a Lot. The purchaser at any such foreclosure sale shall be entitled to sue for recovery of possession of the Lot by an action of forcible detainer without the necessity of giving any notice to the former owner or owners of the Lot sold at foreclosure. The Owner shall have no right of redemption after or resulting from a foreclosure sale of the Association's lien. Nothing herein shall prohibit the Association from taking a deed in lieu of foreclosure or from filing suit to recover a money judgment for sums that may be secured by the lien. At any time before a nonjudicial foreclosure sale, an Owner of a Lot may avoid foreclosure by paying all amounts due the Association. Foreclosure of a tax lien attaching against a Lot under Chapter 32, Tax Code, shall not discharge the Association's lien under this paragraph for amounts becoming due to the Association after the date of foreclosure of the tax lien. No Owner may waive or otherwise escape liability for the assessments provided for in this Declaration by non-use of the Common Area or abandonment of his Lot.

**SECTION 9. SUBORDINATION OF THE LIEN TO MORTGAGES.** As herein above provided, the title to each Lot shall be subject to a lien securing the payment of all assessments and charges due the Association, but the lien shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the lien in favor of the Association provided, however, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien securing such assessment or charge as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or the Owner thereof from liability for any charges or assessments thereafter becoming due or from the lien thereof. In addition to the automatic subordination provided for hereinabove, the Association, in the sole discretion of its Board of Directors, may subordinate the lien securing any assessment provided for herein to any other mortgage lien or encumbrance, subject to such limitations, if any, as the Board of Directors may determine.

SECTION 10. EXEMPT PROPERTY. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments and charges created herein. Notwithstanding the foregoing, no Lot which is used as a residence shall be exempt from said assessments and charges.

ARTICLE V  
PROPERTY RIGHTS IN THE COMMON AREA

SECTION 1. OWNER'S EASEMENT FOR ACCESS AND ENJOYMENT. Subject to the provisions herein stated, every Member shall have an easement of access and a right and easement of enjoyment in the Common Area, and such right and easement shall be appurtenant to and shall pass with the title to every Lot, subject to the lien against the Common Area created by the Westland Four Declaration to secure assessments payable by the Association to the Westland Four Association and to the following rights of the Association:

- (a) The Association shall have the right to charge reasonable admission and other fees for the use of any facility situated upon the Common Area.
- (b) The Association shall have the right, with the approval by a two-thirds (2/3rds) vote of each class of the Members who are voting in person or by proxy at a meeting duly called for this purpose, to borrow money and to mortgage, pledge, deed in trust, or hypothecate any or all of the Common Area as security for money borrowed or debts incurred.
- (c) The Association shall have the right to take such steps as are reasonably necessary to protect the Common Area against foreclosure of any such mortgage.
- (d) The Association shall have the right to suspend the voting rights and enjoyment rights of any Members for any period during which any assessment or other amount owed by such Member to the Association remains unpaid in excess of thirty (30) days.
- (e) The Association shall have the right to establish reasonable rules and regulations governing the Members' use and enjoyment of the Common Area, and to suspend the enjoyment rights and voting rights of any Member for any period not to exceed sixty (60) days for any infraction of such rules and regulations.
- (f) The Association shall have the right, with the approval by a two-thirds (2/3rds) vote of each class of the Members who are voting in person or by proxy at a meeting duly called for this purpose, to sell or convey all or any part of the Common Area and the right, without the approval of the

Members, to grant or dedicate easements in portions of the Common Area to public or private utility companies.

SECTION 4. TYPE OF CONSTRUCTION. A minimum of 70% of the exterior wall area of the first floor of all residences to the top of the first floor, exclusive of doors and windows, shall be masonry, brick veneer or stucco construction, unless a variance from this restriction is specifically approved in writing by the Committee. The color of the masonry, masonry veneer or stucco used shall be approved in writing by the Committee.

No garage or accessory building shall exceed in height the dwelling to which it is appurtenant without the written consent of the Committee. Every garage and accessory building (except a greenhouse) shall correspond in style and architecture with the dwelling to which it is appurtenant.

SECTION 5. TEMPORARY BUILDINGS. Unless otherwise approved by the Committee, temporary buildings or structures shall not be permitted on any Lot. Declarant may permit temporary toilet facilities, sales and construction offices and storage areas to be used by Builders in connection with the construction and sale of residences. With the Declarant's approval, Builders in the Subdivision may use garages as sales offices for the time during which such Builders are marketing homes within the Subdivision. At the time of the sale of a residence by a Builder, any garage appurtenant to such residence used for sales purposes must be reconverted to a garage or a garage must be added to such residence.

SECTION 6. DRIVEWAYS. On each Lot the Builder shall construct and the Owner shall maintain at his expense the driveway from the garage to the abutting Street, including the portion of the driveway in the street easement, and the Builder shall repair at his expense any damage to the Street occasioned by connecting the driveway thereto.

SECTION 7. ROOF MATERIAL/ROOF STACKS. The roofs of all buildings shall be constructed or covered with fiberglass or dimensional shingles of a color approved by the Committee. Any other type of roofing material shall be permitted only at the discretion of the Committee. All roof stacks must be painted to match the roof color.

SECTION 8. FENCES. No fence or wall shall be erected on any Lot nearer to the Street than the minimum building setback lines from the Street shown on the plat of the Subdivision. The erection of chain link fences on any Lot is prohibited. Each Owner shall, at his expense, maintain the cedar fence (or other enclosure approved by the Committee) installed by the Builder to enclose the backyard of his Lot.

SECTION 9. GRASS AND SHRUBBERY. Builders shall sod the area between the front of the residence and the curb line of the abutting Street prior to the sale of the residence with grass of a type prescribed by the Committee. Thereafter the Owner of each Lot shall keep his Lot mowed to prevent unsightly appearance. Dead or damaged trees, which might create a hazard to property or persons, shall be promptly removed or repaired, and if not removed by the Owner upon request, then the Association may remove or cause to be removed such trees at the Owner's expense and shall not be liable for damage caused by such removal. Vacant Lots shall not be used as dumping grounds for rubbish, trash, rubble, or soil, except that Declarant may designate fill areas into which materials specified by Declarant may be placed.

SECTION 10. SIGNS. Except for one (1) sign of not more than five (5) feet square advertising a residence on a Lot for sale or rent, no signs, billboards, posters, or advertising devices of any kind shall be permitted on any Lot without the prior written consent of the Committee. The right is reserved by Declarant to construct and maintain, or to allow Builders within the Subdivision to construct and maintain, signs, billboards and advertising devices as is customary in connection with the sale of newly constructed residential dwellings. In addition, the Declarant and the Association shall have the right to erect identifying signs at each entrance to the Subdivision.

SECTION 11. TRAFFIC SIGHT AREAS. No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two and six feet above the Street shall be permitted to remain on any Corner Lot within fifteen (15) feet of the point formed by the intersection of the building set back lines of such Lot.

SECTION 12. EXTERIOR ANTENNAE. No television, radio, or other electronic towers, aerials, antennae, satellite dishes or device of any type for the reception or transmission of radio or television broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any Lot or upon any improvements thereon, except that this prohibition shall not apply to those antennae specifically covered

by the regulations promulgated under the Telecommunications Act of 1996, as amended from time to time. The Committee is empowered to adopt rules governing the types of antennae that are permissible in the Properties and to establish reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennae. To the extent that receipt of an acceptable signal would not be impaired, an antenna permissible pursuant to the rules of the Committee may only be installed in a side or rear yard location, not visible from a Street, and integrated with the dwelling and surrounding landscape. Antennae shall be installed in compliance with all state and local laws and regulations.

SECTION 13. PLAYGROUND AND SPORTS EQUIPMENT. All playground equipment such as play houses and swing sets shall be situated, concealed and shielded so as not to be visible from any Street. Basketball goals attached to the residence or mounted on a pole in the ground shall not be located on a Lot so as to be visible from the street in front of the residence or from the side street on corner Lots. Basketball goals mounted on moveable platforms may be temporarily located in the front of a residence while in use as long as they are moved to the garage or rear of the residence when not in use.

SECTION 14. OUTSIDE LIGHTING. Outside lighting fixtures shall be placed so as to illuminate only the yard of the applicable Lot and so as not to affect or reflect into surrounding residences or yards. No mercury vapor, sodium or halogen light shall be installed on any Lot which is visible from any Street unless otherwise approved by the Committee.

SECTION 15. AIR CONDITIONERS. No window or wall type air conditioners shall be permitted in any improvements within the Properties, but the Declarant and Builders may install and use such air conditioners in sales offices and construction offices within the Properties, provided such air conditioners are removed when such facilities cease to be used.

SECTION 16. PRIVATE UTILITY LINES. All electrical, telephone, and other utility lines and facilities which are located on a Lot and are not owned by a governmental entity or a public utility company shall be installed underground unless otherwise approved in writing by the Committee.

SECTION 17. ENFORCEMENT OF LOT MAINTENANCE. Each Owner of a Lot in the Subdivision shall at all times be obligated to maintain his property and all improvements thereupon (and the area between the boundary lines of adjacent property and adjacent Streets if such area is not otherwise maintained), so as to keep same in a clean, sightly and safe condition and to conform with any specific standards which the Board of Directors may adopt by resolution for the Properties. An Owner's maintenance obligation shall include, but not be limited to: the maintenance of all visible exterior surfaces of all buildings and other improvements; the prompt removal of all paper, debris, and refuse; the removal and replacement of dead and diseased trees and plantings; the removal of all snow and ice from paved areas; the repair, replacement, cleaning and relamping of all signs and lighting fixtures; the mowing, watering, fertilizing, weeding, replanting and replacing of

all approved landscaping; and, during construction, the cleaning of dirt, construction debris and other construction-related refuse from Streets and storm drains and inlets.

In the event of the violation of any covenant herein by any Owner or occupant of any Lot and the continuance of such violation after five (5) days written notice thereof, or in the event the Owner or occupant has not proceeded with due diligence to complete appropriate repairs and maintenance after such notice, Declarant or the Association shall have the right (but not the obligation), through its agents or employees, to enter upon such Lot and to secure compliance with these restrictions and restore such Lot to a neat, attractive, healthful and sanitary condition. The Declarant or Association may render a statement of charge to the Owner or occupant of such Lot for the cost of such work. The Owner or occupant agrees by the purchase or occupation of the Lot to pay such statement immediately upon receipt. In the event of the failure to pay for such work, the amount of such statement may be added to the annual maintenance charge provided for herein and shall be secured by a lien on the Lot in the same manner as such annual charge. The Declarant, the Association, or their agents and employees shall not be liable, and are hereby expressly relieved from any liability, for trespass or other tort in connection with the performance of the maintenance and other work authorized herein.

SECTION 18. DAMAGE AND DESTRUCTION OF IMPROVEMENTS. Any buildings or improvements within the Properties which are damaged or partially destroyed by fire, storm or any other means shall be repaired within a reasonable period of time not to exceed sixty (60) days from the occurrence of such damage and the Lot restored to a clean, orderly and attractive condition. Any buildings or improvements which are damaged or destroyed to the extent that repairs are not practicable, shall be demolished and removed within a reasonable period of time not to exceed ninety (90) days from the occurrence of such damage and the Lot restored to a clean and attractive condition.

## ARTICLE VIII EASEMENTS

SECTION 1. GENERAL. Easements for the installation and maintenance of utilities are reserved as shown and provided for on the plat of the Subdivision or as dedicated by separate instruments. Neither Declarant nor any utility company or authorized political subdivision using the easements referred to herein shall be liable for any damages done by them or their assigns, agents, employees or servants, to fences, shrubbery, trees, flowers, improvements or other property of the Owner situated on the land covered by such easements as a result of construction, maintenance or repair work conducted by such parties or their assigns, agents, employees or servants.

SECTION 2. UNIVERSAL EASEMENT. Each Lot and its Owner is hereby declared to have an easement, and the same is hereby granted to Declarant, over all adjoining Lots and Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of the building, or any other cause. There shall be easements for the maintenance of said encroachment, settling or shifting; provided, however, that in no event shall an easement

for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. The easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to the Lot being serviced and shall pass with each conveyance of said Lot.

SECTION 3. UNDERGROUND ELECTRICAL DISTRIBUTION SYSTEM. An underground electric distribution system has been installed within the Subdivision which will be designated an Underground Residential Subdivision and which underground service area shall serve all lots in the Subdivision. The Owner of each Lot in the Underground Residential Subdivision shall, at his own cost, furnish, install, own, and maintain (all in accordance with the requirements of local governing authorities and the National Electric Code) the underground service cable and appurtenances from the point of the electric company's metering on customer's structure to the point of attachment at such company's installed transformers or energized secondary junction boxes, such point of attachment to be made available by the electric company at a point designated by such company at the property line of each Lot. The electric company furnishing service shall make the necessary connections to said point of attachment and at the meter. In addition, the Owner of each Lot shall, at his own cost, furnish, install, own and maintain a meter loop (in accordance with the then current standards and specifications of the electric company furnishing service) for the location and installation of the meter of such electric company for the residence constructed on such Owner's Lot. For so long as underground service is maintained in the Underground Residential Subdivision, the electric service to each Lot therein shall be underground, uniform in character and exclusively of the type known as single phase, 120/240 volt, three wire, 60 cycle, alternating current.

Easements for the underground service may be crossed by driveways and walkways provided that the Builder or Owner makes prior arrangements with the utility company furnishing electric service and provides and installs the necessary electric conduit of approved type and size under such driveways or walkways prior to construction thereof. Such easement for the underground service shall be kept clear of all other improvements, including buildings, patios, or other pavings, and neither Builder nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees, or servants, to shrubbery, trees, or improvements (other than crossing driveways or walkways provided the conduit has been installed as outlined above) of the Owner and located on the land covered by said easements.

#### ARTICLE IX ENFORCEMENT

The Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, the covenants, conditions, restrictions, and liens contained herein. Failure of the Association or any Owner to enforce any of the provisions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

#### ARTICLE X GENERAL PROVISIONS

SECTION 1. TERM. These covenants shall run with the land and shall be binding upon all parties and all persons claiming under until September 27, 2035, after which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless an instrument signed by the Owners of a majority of the Lots covered by this Declaration has been recorded, agreeing to change or terminate the covenants herein, in whole or in part.

SECTION 2. AMENDMENT.

A. By Declarant. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the property subject to this Declaration; or (c) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the property subject to this Declaration.

B. By Owners. This Declaration may be amended at any time by an instrument executed by the owners of two thirds (2/3rds) of the Lots covered by this Declaration. Any such amendment shall become effective when an instrument is filed for record in the Official Public Records of Real Property of Harris County, Texas, with the signatures of the requisite number of the Owners of the Lots.

SECTION 3. SEVERABILITY. Invalidation of any one of these covenants by judgment or other court order shall in no wise affect any other provisions, which shall remain in full force and effect except as to any terms and provisions which are invalidated.

SECTION 4. GENDER AND GRAMMAR. The singular wherever used herein shall be construed to mean or include the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations (or other entities) or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

SECTION 5. TITLES. The titles of this Declaration of Articles and Sections contained herein are included for convenience only and shall not be used to construe, interpret, or limit the meaning of any term or provision contained in this Declaration.

SECTION 6. REPLATTING. Declarant shall have the right to subdivide any reserve tracts contained within the Properties into single family residential lots, by recorded plat or in any lawful manner. Lots created by the subdivision of a reserve tract shall be subject to these restrictions as if such Lots were originally platted as lots.

## SECTION 7. ANNEXATION.

A. By Declarant. The Declarant shall have the unilateral right, privilege, and option at any time to annex additional property to the jurisdiction of the Association by filing for record a declaration of annexation in respect to the property being annexed. Any such annexation by the Declarant shall not require approval by the Association or the Members and shall be effective upon the filing for record of such declaration. The rights reserved by Declarant herein to annex additional land shall not and shall not be implied or construed so as to impose any obligation upon Declarant to annex additional land it owns.

B. By Other Owners. Upon request by an owner of land other than the Declarant, the Association may annex real property to its jurisdiction. Any such annexation shall require the affirmative vote of Members representing a majority of the Association's votes present at a meeting duly called for such purpose and, as long as the Declarant owns any portion of the Properties, the written consent of the Declarant. Annexation of land not owned by the Declarant shall be accomplished by filing of record in the public records of Harris County, Texas, an annexation agreement describing the property being annexed. Such annexation agreement shall be signed by the President and the Secretary of the Association, by the owner of the property being annexed, and, as long as the Declarant owns any portion of the Properties, by the Declarant. The relevant provisions of the By-Laws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section 7(b) and to ascertain the presence of a quorum at such meeting.

C. Effect of Annexation. The Owners of Lots in property annexed into the jurisdiction of the Association shall be entitled to the use and benefit of all Common Area of the Association, provided that the annexed property shall be impressed with and subject to an annual maintenance assessment imposed by the Association on a uniform, per Lot basis with the annual assessment on all other property within the jurisdiction of the Association.

SECTION 8. MERGER; DISSOLUTION. The Association may be merged with another non-profit corporation or dissolved only with (i) the assent given in writing by not less than two-thirds (2/3's) of the Class A Members and (ii) the Declarant, as long as the Declarant owns any Lots within the Properties. In the event of a merger of the Association with another non-profit corporation organized for the same purposes, the Association's properties, rights, and obligations may be transferred to the surviving association, or alternatively, the properties, rights and obligations of the other association may be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving association shall administer the covenants, conditions and restrictions established by this Declaration, together with the covenants, conditions and restrictions applicable to the properties of the other association as one scheme. In the event of the dissolution of the Association, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which the Association was created. In the event that such dedication is refused acceptance, such assets

shall be granted, conveyed and assigned to any non-profit corporation, association, trust or other organization to be devoted to such similar purposes.

SECTION 9. HUD APPROVAL. Notwithstanding anything herein to the contrary, as long as there is a Class "B" Membership in the Association, the approval of the U.S. Department of Housing and Urban Development shall be required for the following actions: the amendment of this Declaration, the annexation of property to the jurisdiction of the Association, and the dedication of Common Area.
