

The Greene County Historical Society
apologize to our valued members who have reached out and bought a brick for
the GCHS Memorial Walk.

Along with you, the GCHS has been frustrated by delays for the engraving of
the bricks with your inscriptions.

Along with you, the GCHS are frustrated we had to delay the laying of the
bricks on the walkway on your behalf.

Covid-19 struck last year with huge impact, but when the bricks eventually
made it to the engraver, we were hopeful progress was happening....

Once again delays have hit the engraver with mechanical and other issues
beyond the GCHS control.

**The GCHS is hopeful the delays will cease and our next contact will be to notify
you of the brick laying...**

~THANK YOU AGAIN FOR YOUR PATIENCE~
