How to Play

# of Players: 1

How to Win: Match each number to its number word and catch all the Pokémon!

- Print and laminate the sheets, then cut out the individual Poké Balls.
- Pick a number Poké Ball, then search for its matching number word (under the Pokémon). Once the match is located, place the Poké Ball over the Pokémon. You have successfully caught a Pokémon!
- Repeat the second step until you catch them all!

Pick a number Poké Ball.

Place over its matching Pokémon number word.

Catch them all!
