Welcome to the 2024 MEVRS Annual Auction. Please feel free to browse the roses that are available and select roses to add to your garden. The rose above is Golden Beauty which was previously named South Africa. This is a great rose for AZ and was not available for years due to naming rights. Available again to the public this is sure to be a favorite again in Arizona.

The auction is set to end on February 12 at exactly 7pm. At that time all bidding will close and no more bids can be added. An email will be sent to the address that was added during registration with information to the roses won, total price, and pick-up information.
