

ESTABLISHED 1872

CATHOLIC KOLPING SOCIETY OF CHICAGO

FALL 2023 NEWSLETTER

Fall is upon us. We have had devastating news of the passing of our praeses Father Michael Scherschel. He will be missed.

We had a successful General Meeting and Luncheon. We also got the word out about Kolping by volunteering at the Gladstone Park Throwback Music Fest.

In 2016 we partnered with Variety Children's Charity for a very special young lady to purchase her a prone walker. We got an update that she is doing well and that she just turned 12 years old.

Wanted to give a plug to **H&B True Value** (5329 N. Milwaukee Chicago IL). Joe, the owner, always has everything we need and always gives us a great price. Maintaining an older building takes a lot and he is always there for us.

Please remember we are **always** looking for volunteers. If you only have time to work one event, have time to work them all or are a skilled laborer that can help keep our building updated we would appreciate any and all the time you can donate. See any board member if interested. Remember all our board meetings are open to all. They are the first Monday of the month at 7pm.

We are now collecting food for the Food Pantry. There is a box by the Miltimore entrance that you can place your donations in.

We are also looking for someone to clean Kolping once or twice a month. Just light cleaning like running vacuum, dusting, washing tables, refilling paper supplies. If you know anyone interested, please let a board member know.

Save the date of **Saturday November 4, 2023** for our **Famous Roast Beef Dinner**. Setup for Roast Beef Dinner is Friday November 3, 2023 at 7pm. All are invited to help.
