"We call for... ending governmental use of the doctrines of specific religions to define... marriage... between consenting adults."	"Consenting adults should be free to choose their own sexual practices and personal relationships."	" the cornerstone of the family is natural marriage, the union of one man and one woman"
<b>Israel / Foreign Policy</b>	"We will continue to work toward a two-state solution of the Israeli-Palestinian conflict... that guarantees Israel's future as a secure... democratic Jewish state"	"...support popular movements for peace and demilitarization in Israel-Palestine..."	<i>No comment on Israel...</i> "Our foreign policy should emphasize defense against attack... end... military and economic aid."	"We reaffirm America's commitment to Israel's security and will ensure that Israel maintains a qualitative military edge over any and all adversaries."
<b>Health Care</b>	"Democrats believe that health care is a right, not a privilege... we took a critically important step toward the goal of universal health care by passing the Affordable Care Act [Obamacare]."	"Green Party supports single-payer universal health care and preventive care for all. We believe that health care is a right, not a privilege."	We favor a free-market health care system... freedom of individuals to determine the level of health insurance they want... including end-of-life decisions"	"Any honest agenda for improving healthcare must start with repeal of the dishonestly named Affordable Care Act of 2010: Obamacare."
<b>Budget</b>	"We will stop Republican efforts to hamstring our regulators through budget cuts... We must end waste in the defense budget..."	"The United States government must reduce our defense budget to half of its current size."	"We support the passage of a 'Balanced Budget Amendment' to the US Constitution... by cutting expenditures"	"The Republican path to fiscal sanity and economic expansion begins with a constitutional requirement for a federal balanced budget."
<b>Voter Identification</b>	"...we will continue to fight against discriminatory voter identification laws, which disproportionately burden young voters... people of color... the elderly, and women."	"...fail-safe voting procedures, so that eligible voters whose names are not on the voter rolls... can correct the rolls and vote on the same day"	"We oppose laws that effectively exclude alternative candidates and parties, deny ballot access, gerrymander districts, or deny the voters their right..."	"...we urge that electronic voting systems have a voter-verified paper audit trail. We urge every state to join the Interstate Voter Registration Cross Check Program to keep voter rolls accurate."
<b>Immigration / Borders</b>	<i>No comment on securing US borders...</i> "We continue to fight for comprehensive immigration reform... will work to ensure that all Americans—regardless of immigration status—have access to quality health care."	"Green Party stands firmly for social justice for all those living in this country regardless of their immigration status...immediate dismantling of the border wall."	"Economic freedom demands the unrestricted movement... across national borders. However, we support control over the entry into our country of foreign nationals who pose a ...threat"	"To keep our people safe, we must secure our [US] borders, enforce our immigration laws, and properly screen refugees and other immigrants entering from any country..."
<b>Taxes</b>	"Democrats believe the tax code must reflect our commitment to a clean energy future by eliminating special tax breaks and subsidies for fossil fuel companies"	"Simplify the tax code. Make it ... resistant to the machinations of powerful corporate and wealthy interests."	"We call for the repeal of the income tax, the abolishment of the IRS and all federal programs ... not required under the U.S. Constitution."	"Republicans consider the establishment of a pro-growth tax code a moral imperative..."
<b>Environment</b>	"...pursuing a global economic agenda that promotes rising wages and invests in quality public services, workers' rights, and environmental protections."	"Support, enforce and strengthen the National Environmental Policy Act."	"Protecting the environment requires a clear definition and enforcement of... responsibilities regarding... land, water, air"	"We believe states can best promote economic growth while protecting the environment..."
