**QUESTION:** Could the **church in America** be the "**sleeping giant**" of our age, which is now being **awakened** against the grave threat of Marxist Tyranny and Globalism and "**filled with terrible resolve**" to **fight in defense** of our Biblical foundation and precious God-given liberty? **I think YES!**

**Founding Father Thomas Paine said,**

*"These are the times that try men's souls; the summer soldier and the sunshine patriot will, in this crisis, shrink from the service of his country; but he that stands it now, deserves the love and thanks of man and woman. **Tyranny, like hell, is not easily conquered**; yet we have this consolation with us, that **the harder the conflict, the more glorious the triumph.**" —**AND**— "Those who expect to reap the blessings of freedom, must, like men, undergo the **fatigues** [**"WORK"**] of supporting it."*

May America continue to be used, as the Pilgrims wrote in November 1620:

*"For the glory of God and Advancement of the Christian Faith."*
