5. Use and help create non-partisan voter guides. (Proverbs 4:11)

Equip Judeo-Christians to vote Biblically by analyzing contribution and endorsement data as part of a team to assign grades to the candidates, so voters can quickly discern which candidates are most Biblical.

6. **Join a group to advance Biblical, Constitutional and conservative principles in our churches, colleges, and communities. (Deut. 32:30, Psalm 133:1)**

Together in fellowship and work, we learn faster and accomplish more!

9. **Give strategically to God-fearing candidates in winnable/ swing races. (Colossians 3:16)**
