

The Lord to help us here... father I thank you so much for Jesus and for sending your son Jesus. We are amazed when we think about your love and that you love us as much as you love Jesus to actually send your son which you said in John 17:34 that in Jesus last prayer that you love us that much.

So as we think about this love as we bask in this love as we're humbled as we look at the spectacle of the love of the Cross and the spectacle of God coming down to live in human flesh we are amazed and and we just say Lord we we submit to you and we pray for your Holy Spirit now in your name amen. Last Sabbath when I was at or the week before last I was doing the I was leading the lesson out with them over the first church and in there we talked about God's mission to us and what we really want is God to show us: he's showing us who he really is. And a lot of times when you see people you meet them and you you're you're around them a little bit of time and after while you get to know them and they kind of show you who they are you know and that's what's happened is we distrusted God and we sinned we we distrusted God we believed Satan's lies about God as perfect beings rational beings with our thoughts we we trusted him we and we ended up distrusting God and we did and because of that God decided to show us who he was who he was deep Inside. This little person in there that the least person the the least person in this world Jesus loves and the father loves as much as he loves Jesus say how can that be that he loves the father loves me as much as he loves Jesus or he loves the least person. The Father loves the least person as much as he loves Jesus how valuable you are to the whole godhead that each person here is as valuable to God as his own self God is a person God is just a being and and He showed that when he came to bring Jesus to live here forever in this little form of a person as a little baby the spectacle of God becoming a human being the spectacle of him luring himself step after step after step in humiliation. For God to come down and become a person and he didn't just come a for a few years He came here forever to become linked with us because he's saying I'm not this person Satan has made me into. And all we think Satan Lucifer just wanted to have his glory he just wanted to have his worship and because it was just because God is brilliant you know there a rainbow over his throne the glory and the angels are worshiping him and they're going wow and

there the senses are just bombarded and
Satan's like ... wow, God I like to have that kind of worship and but God says God
says this is
not who I am I want you to know who I really am I want you to see me so he
came down down and became one of us and and so as we look at this I
want you to keep this in mind now of who he really is
and and you know the the 144,000 they have the father's name
written in their forehead do you know why because that that love they know
that love the father loves me that much he wrote his name in my heart, my mind.
So he writes his name in our foreheads and and when we look at
that we start to admire the father we start to admire Jesus and we start to
get this this feeling of love and this feeling of I'm worth something. Do you do
you want some self-help do you want some confidence go to God because he will
give you confidence he will give you self-confidence if you lack self-confidence if
you want peace go to
God he'll give you peace when you when you want all these things that I lack I
don't have any of
these things in myself and that's why we pray that prayer of of and we we say
this one every day. That how Jesus died for me he saw me in Peril exposed to
destruction and he poured out his life
to save me he does not behold the soul as a trembling suppliant prostrate At
His Feet Without Pity. So I'm there prostrate at his feet angels are prostrated his
feet prostrate and he
will not fail to raise me up. And th this is what I'm doing
so I look here in Revelation we'll turn to Revelation this
is some the text for today and it actually is 14 but we're really talking
about the Revelation in 18:1 but it's more descriptive in 14:9 it says and
the third Angel followed them saying with a loud voice if any man worshiped the
Beast and His Image and receive his
Mark in his forehead or in his hand the same shall drink the wine of the wrath of
God so he's crying with a loud voice
to go to ... (the whole earth) now this is the same message as Revelation 18:1 it
says and after these things I saw
another Angel come down from heaven having great power and the Earth was
lightened with his glory and said
Babylon has fallen now I I want you to read through here in verse two it says
and it says the Earth was lightened with his glory the Earth was lightened with
his glory you see that we're seeing the character of God here the Father the Earth
is lightened
with the character of God the glory of God you see this and what I'm telling you
right now I believe this love of
Jesus this gospel I'm talking about it's the same gospel we've had but we just he's
giving his insights into the
mysteries of God we're learning this amazing Bible Mysteries about God coming

down in human flesh about how he came to save us we're learning that and we're lightening the Earth with his glory I believe this right now I believe sir I believe this is the latter

rain right now we're having I believe it honestly right now that this right now the reason I'm going to tell you why

right now Babylon the great is Fallen has fallen has become the he's... okay listen to this he's become the

habitation of devils the hold of every foul Spirit a cage of every unclean and hateful bird okay now remember Babylon

has a state associated with it right it's a church State relationship so when you start remember

that strange law that Daniel had that he couldn't pray and he would be killed unless he prayed he'd be thrown in the

lions in we've got some strange laws right now here in our government in the United States. About

marriage don't you agree that is completely against which Commandments that against the seventh command isn't it it's breaking any law that is that goes in to legislation and it has any law that goes

into legislation you break one commandment you break them all so you're still breaking the Sabbath commandment

if you're breaking one law and this has gone into legislation and government is taking it lightly and they're enforcing

it's a strange law it says Babylon the great has fallen so I'm telling you it has fallen and the Nations have drunk

of this wine they've committed fornication. It's so funny because it's the actual word fornication and that's

what they're doing do you understand it's a literal word term which I never really expected that to happen it says fornication with the merchants of the Earth are wax Rich through the abundance

of her delicacy it says okay here we are come out of her my people this is going to the world right now because this is going on a website called amazing Bible mysteries. I'll say if you can get on

the site look at this share it get this out there this message is going to

the world right now the whole world and the whole world right now I believe that we're in this time right now and what I

believe too it is this loud cry message by the way according to Spirit prophecy that actually causes the national Sunday law by the way it's not the Sunday law it's not the

Sunday law itself that is going to cause us harm it's when we preach this message and preach this message of the love of God and preach this message that you are sinning and that you are doing something

wrong that you're breaking God's law and then they rise up against it those who are rising up against it will Unite against us because you have to keep all 10

commandments to have the Holy Spirit you need to do that it's given to those who

obey him and we're talking about the Holy Spirit today we're talking about this is a continuation of the true witness which I'm ...which I've talked about in the other sermon that I gave that you can find so I want you to read that do your homework read this learn what we're talking about it says that for her sins have reached unto heaven and God hath remembered her iniquities they are legislating for little children about homosexuality legislating.

That's strange laws that's the filth of her for fornication that's literal fornication you're doing it to my children now you're the rubber meets the road there doesn't it stand up stand up okay this is going to the world this is not just in this church here this is going to the world we've got a thousand people who've over 1,100 people who've already who have already looked at this message on The True Witness right now we have a lot of people seeing this ... this here is being taught here live publicly in this church but it's going to the world .. it's going to be the internet where everyone's going to be able to see this and we're we're talking about I I did a a sermon on there called One Mind that has hasn't had a lot of views on it but it talks about that beast power and the develop ... how the development of it and how they got together and they put the laws in their mind verse 17 Revelation 17 verse 17 and to fulfill his will and they until the Beast until the words of God should be fulfilled see and I was thinking to myself saying how in the world could we take this and I had written a sermon here and let me just give you a little bit I was really contemplating get the given this sermon here.

And it was on first John so I'm ready for sermon of First John if I want to but the same this who dwell in love and the father sent his son to be the to be the Savior there's no fear and love we have confidence in him okay first John 4:18 love God and keep his Commandments 1 John 5:3 we love him because he first loved us we receive the word of Jesus John 17:8 abiding in him he Sins Not 1 John 3:4,5 okay and he says sin is transgressional law in 1 John verse three chapter 3 right it says that if the love of God dwells in us if we love God the love of God dwells in US 1 John 4 4:13 and so we look at this and we look at John and the same John who's telling us about the love of God and everything is the same John who wrote Revelation. Interesting right what does a BEAST's power have to do with the love of God because God has hidden these things from from the wise that only the wise in him are going

to understand so they going to get this message he had to encode this message for our time so we could receive it.

Jesus talked in Parables but when he got among the disciples he told things plainly this is how it is and he said it's for you to know the mysteries of the kingdom of God and that's in Mark I think it's 4:11 or one okay but you can look it up and I'm telling you it's for you that you could know these things but I'm telling you also that in John says in Revelation 19 verse 10 it says and I an angel tries to worship at Jesus? No. At The Angel's feet not Jesus but the angel who's given this Vision John in verse 10 it says he says see you do it not he said I am your fellow servant of thy Brethren who have the testimony of Jesus worship God. For the testimony of Jesus is the spirit of prophecy what I'm giving you right now is the spirit of Prophecy right now this is the spirit of Prophecy the holy spirit is going to you we're proclaiming this message. That God has given and you are now getting the testimony of Jesus right now from this Pulpit you are getting the testimony of Jesus.

Yes we do have a prophet that came and we've had more than one prophet here though we've had other prophets that God had there was a latter rain that had already was Sent to pour out in 1888 we we have the message we know the message we've had prophets we had Jones that was sent we had Wagner was sent we had Prescott sent we had Ellen White that sent we've had messages God has a God gave Wagner a vision he didn't just go give on white Visions he gave Wagner Vision a way a vision of Jesus dying on the cross okay we have okay Joel 2:28 it says I'll pour out my spirit on All Flesh.

Right in Joel 228 and Acts 2 verse 17 talked about the early early Rain he said I will pour out my spirit upon All Flesh in the last days. Peter was saying in his first sermon that was in the book of Acts and this he was talking about the early rain which was the pouring out of the Holy Spirit and and he's talked about the end time there would be signs in the earth and beneath the blood fire vapor smoke these things he said I'll pour out in those days my spirit and they shall prophesy but he's talking about in our time time right now he's talking about our time and I'm talking right now let me tell you Jesus said th this is being fulfilled right now before your eyes right now this is being fulfilled.

And I'm telling you this is serious stuff they shut down the whole world what what what more do you need they have shut down the whole world already
And people have lost their jobs our pastor lost his job because he wouldn't take the c. shot your pastor lost his job because he wouldn't take the c. shot. And he was a pilot he was a commercial pilot Okay so your ...
right you know ... right he lost his job so he's now y... I was a software developer that's what I used to do so now I've given my life to this work right now of giving this message.

And you know we're we're told and Joel says to beat your it says to to beat your farming implements into swords do you know what that means that means regular people like me are going out with a sword and we're giving the word of God and we're and it's not so much by argument we're told in this book it's not so much by argument by the Holy Spirit but by conviction.

So I want you to understand this is conviction I want you to understand where we are I want want you to understand that not everybody who hears it receives the latter rain some people receive it some people don't it's only my job to preach it and so after in Acts three after Peter had had healed this person then it says what are we supposed to do he says you denied the Holy One of Israel you killed the Prince he said he said verse 19 repent therefore be converted that your sins may be blotted out that your sins may be blotted out. What he talking about he's talking about the Judgment our sins are blotted out right now our sins are being blotted out in the Judgment.

When the times of refreshing shall come from the presence of the Lord this is is the times of refreshing from the present because we're in that the holy spirit is pouring out right now the Holy Spirit and what does he do verse 20 and he shall send Jesus pray for Jesus now okay because he will send Jesus you want the mind of Christ that's so you get your mind the mind of Christ.

Jesus it's it's a gift the mind of Christ is a gift he gives it to you when he gives you the Holy Spirit when he give pray for this pray for the Holy Spirit pray for the lad of rain um hat your sins may be blotted out so I um now the latter rain was already starting to be poured out back in 1888. In fact the servant of the Lord said in 1891 if we would have received that message we'd already be in

heaven by 1891 in 1888. If we'd received it by 1891 I'm preaching it again so what do we want to do with it this time do you think it's going to go another from 1888 how many years is that JeD from 1888 to 2023? Maybe 136 years want to wait another 136 years this is the time now we we've got another opportunity now so if we figure you know what basically where where are we do you think God would give us another 130 years? You think we're at that time he says um let us be glad and rejoice (in chapter) 19 Revelation 19:7 and give honor to him for the marriage of the Lamb has come and his wife hath made herself ready. Who is his wife? Are you ready for Jesus to come? His wife's made herself ready are you ready Jesus come and to her was granted that she should be arrayed in fine linen clean and white for the fine linen is the righteousness of the Saints. Now if you look look on the message that I did on on one mind I mention a little bit about I think it was in Zachariah let's see if we can turn to Zachariah I think I might have mentioned a little bit in the true witness not sure Zechariah 3 now we are told we've been given ... this (passage) as justification by faith for a long time churches use this I've been I I was taught this growing up as an Adventist. I I grew up knowing this that Joshua and the angel that Joshua the high priest standing before the angel of the Lord and Satan standing his right hand to resist him and the Lord said unto Satan the Lord rebuke thee o Satan okay is this not a brand plucked out of the fire?

So there's a brand plucked out of the fire now um this is justification by faith but what we're talking about is a final justification by faith okay that that is experienced we know we've accepted Jesus the same way we've accepted Jesus we're to walk in him right and the very final time when Jesus deals with sin in the sanctuary the very the final time although we've sinned and we've done wrong we cannot Satan is there to accuse us we can't deny that we've done these sins we can't deny them. But Joshua was clothed with filthy garments here we are with filthy garments okay the final time he stood before the angel and Jesus says take away the filthy garments from him he said behold I have caused thine iniquity to pass from thee! And I will clothe thee with change of raiment.

So this is the spectacle that goes on the the holy spirit is going to be removed from the world from everyone who hasn't accepted Jesus from everyone who's made this decision the holy spirit

will be removed. And will only be in the people who have accepted Jesus but they're going to be sealed and when you when you receive the Gospel that the the mature people in Christ but there will be a time of persecution and trouble. Okay it's going to look like the people are going to be put in jail all all these things are going to happen.

But we know in advance advance that these things are happening are going to happen right so I want you to look in Zechariah 10:1 it says ask of the Lord rain in the time of the latter rain ask you the Lord in the time of the latter rain so you can pray for it now would you like to pray for the latter rain. Now okay then you can have this and but go spend that time with Christ wrestle with wrestle with him if you have to because it's going to be rest you're going to be wrestling just like Jacob wrestled had to wrestle we're we all going to have to wrestle with him um because we have to.

Jesus said blessed he that endures to the end will be saved he that endures to the end we're not talking we but we're talking faith right remember last time I talked about Progressive Faith remember that sermon I talked about how you need that faith that faith of Moses that that took him through every form of Temptation. That kind of faith we can have that kind of faith faith I need some Calebs here I need some Joshuas here anybody here want to be a Caleb and a Joshua raise your hand come on you you want to step up to the front now the congregation they tried to Stone them didn't it didn't they? And he said we can well take it we can go in okay and we we've had other people in the past they've denied now what I can talk you to you little bit about is a little bit about the things in this message and I'm I'm about to post up something on pray for me I'm about to put it up on YouTube and I've got some footage and the footage is Jimmy Carter meeting with the Pope. Okay and I got some footage of that and I've also got I've got some footage you know Ronald Reagan also met with Pope so when when ... um let me see when they met it was 1977 and we I grew up I'm 63 years old when I grew up we were all worried.

That we were all going to kill ourselves from nuclear war Russia was a huge threat to us we said what are we going to do well finally this Baptist man who's really religious thought we need to turn to the pope because maybe he will so 1977 Jimmy Carter met with the Pope and and that was history

historic because this book here right here it says that and this was written in the (The History of Freedom) 1885 1888 this was written before that time it said that the Protestant World which would stretch forth their hands and would grasp hands with Catholicism.

The Protestant World which in the form of our president when sister white wrote that they said this is impossible we will never do that this is a Protestant country we will never never grasp hands with with papacy.

Now it's interesting because today is October what 21 and tomorrow's what October 22. So right now in this anniversary here of the coming of Christ of the investigative judgment on the anniversary of it I am announcing to you that I'm preaching this latter rain message and I'm preaching this I'm announcing this to you today. I've never done this in any sermon before okay I'm I'm I'm telling you this though and I'm telling you because we've come to a point that we have to come out of her my people now.

Babylon has filled up the major of her guilt and yes she is going to finish it off by making a death penalty it will be finished off
*but the message of the third angel will be proclaimed as the time comes for it to be given with greater power great the the greatest power. The Lord will work through humble instruments leading minds of those to consecrate themselves to a service so
I'm a humble instrument you know I I lose my memory at times I you know I got disability I'm
you know I I don't remember things I you know I've that's part of my disability I my short-term memory you know what I'm saying.

I'm saying these things to you I'm a humble instrument I am not this some big person trying to be up here big and telling you what to do I'm having to submit to God and do these things and m
I pray to him. Constantly I I have to have God even closer to me because of my memory issues you know and I'm
exercising and doing everything I can to try to curb this my mom died she had dementia. You know my mom did and her identical twin sister had dementia also. And if you look in this book and if you look in the great controversy um page 588 and 589 this is where Jimmy Carter did this the Protestants of the United States will be foremost in stretching their hands across the gulf to grasp the hand of
spiritualism(Catholicism) they will reach over the abyss to clasp hands with a Roman power they reached across the abyss and grasp hands with it this has already been fulfilled.

So the thing that could never happen that's this is 227 in this book and this is called um the history of Freedom okay it's kind of a short form of the great controversy but but right now back back when she wrote this she said that the line of distinction between professed Christians and the ungodly is now hardly distinguishable. This was in her day.

And now Satan has studied the secrets of the Laboratories of Nature and uses all the power to control the elements as far as God allows so when we look at the Book of Job you can see that happening that Satan knows how to control the elements. When I was in Miami I was growing up I remember there would be times we'd have droughts and I would hear these bombs going off and I asked my dad what is that. And he- said they are seeding the clouds so it will rain we know how to seed the clouds to rain Satan knows how to bring -catastrophes about um and but Satan is going to use those catastrophes to bring about calamities which won't cease until Sunday observance shall be strictly enforced.

The pope is now he's going on his Sunday thing talking about the green earth and it's for the green earth the reason the green earth so we ... you know and so he's really saying what she he's saying here is isn't he I mean it's the same thing so the miracle working power manifested through spiritualism will exert its influence against those who choose to obey God rather than men. The testimony of religious teachers that degraded State the state of morals is caused by the desecration of Sunday that's what their that's what their claim is going to be do you understand we're still talking future.

But we already see these things have already happened in the past and we see where it's going but God has a people upon the Earth who may will maintain the Bible and the Bible only as a standard of the great Reformation. Martin Luther it was the Bible and the Bible only that was a standard but are we allowed to still have visions and prophecy and all this now that no we're we're allowed to God's God hasn't cut himself off from us. But the Roman Church they reserve the right of clergy the right to interpret the scriptures in fact I was watching CNN? and they and not on CNN and they said in on on Fox News Fox News they said the for the the the announcer said we believe the pope is infallible they said that on on Fox News we believe the pope is infallible when they came and shut down the government we believe

he's infallible but on matters of
temporal matters we don't think he's infallible but in spiritual matters we think he's
infallible wait a second this
is a man a man who receives worship. Which only an angel in heaven isn't going to
receive and yet they consider
him infallible how far have we gone and we have a majority in the Senate of
Catholic we have a majority in the House of Representatives it's Catholic we have a
majority in the Supreme Court that's
Catholic.

Okay we have a president who's Catholic we weren't even supposed to let
Catholics into this country because they are sworn to the pope over anything
including the Bible you understand that right do you understand where we are
it says that a lack of moral courage to step aside from the Beaten Track of the
world leads many to fall in the steps of learned men and by their reluctance to
investigate
for themselves they're becoming hopelessly fastened in the chains of error. They
see that the truth for this time is
plainly brought to view in the Bible and they feel the power of the Holy Spirit
attending its Proclamation yet they
allow the opposition of the clergy to turn them from the light though reason
and conscience are convinced these diluted Souls dare not think differently from
the minister and their individual
judgment their Eternal interest are sacrificed to unbelief and The Pride and
Prejudice of another.

And this is how Satan is securing multitudes to himself by
attaching themselves by silken cords of affection to those who are enemies of the
Cross of Christ! What did I say
they're enemies to the Cross of Christ! It says that many claim now on
you listen this I heard this argument many times growing up many claim that it
matters not what One Believes if his
life is only right. Haven't you heard that many times doesn't matter what anybody
believes as long as your life is
right haven't you heard that a lot? I've heard a lot.

But the life is molded by by faith do you hear that it does matter the life is molded
by faith if light and Truth is within
our reach and we neglect to improve the privilege of hearing and seeing it we
virtually reject it we are choosing
Darkness rather than light. Jesus said they chose Darkness rather than light why
he said because their deeds were
evil it is the first and highest duty of every rational being to learn from the
scriptures what is truth and then to walk in the light and encourage others to

follow his example. We should day by day study the Bible diligently weighing every thought and comparing scripture with scripture with Divine help we are to form our opinions for ourselves.

We should exert all the powers of Mind in the study of the scriptures and should task the understanding to comprehend as far as mortals can the Deep themes of God. Yet we must not forget that the docility and submission of a child is a true Spirit of the learner you hear me the Bible should never be studied without prayer the Holy Spirit alone can cause us to feel the importance of those things easy to be understood or prevent us from resting truths difficult comprehension. It's the off now here here you are it is the office of heavenly angels to prepare the heart to comprehend God's word you realize that angels will help you to comprehend God's word Angels prepare your heart to comprehend God's word so that we shall be Charmed with its beauty admonished by its warnings or animated and strengthened by its promises.

Temptations often appear irresistible because through neglect of prayer and study the Bible the tempted one cannot readily remember God's promises and meet Satan with the scripture weapons remember the scripture ... comes remember Ephesians that let's look in Ephesians I think it's important that we that we have this here its what Ephesians 6 it says that be strong in the Lord in the power of His might verse 10 put on the whole armor of God that you may be able to stand against the wiles of the devil okay so you're going to need this book to stand against the wiles of the devil you can't do this on your own you're you're wrestling not against flesh and blood you know we're living in the most solemn period of this world's history the destiny of the Earth's teeming multitudes is about to be decided.

When the do you think numbers matter how many people were saved in the flood how many people you think God can preserve 144,000 people to himself he he said it's going to happen when the testing time shall come those who have made God God's word the rule of their life will be revealed in summer there is no noticeable difference between Evergreens and other trees but when the blast of winter comes the Evergreens remain unchanged. Right nowt the time is just upon us when the difference will be apparent so wasn't co. was kind of a dry run wasn't it you were made you

you're made to stay in your house for like a year you know.

You couldn't go out couldn't work with other people had to had to just look at your wife or your children or you had it might have been my case I was all by myself at the time. This before I met Holly I was in an apartment by myself in my own apartment couldn't go anywhere have nobody that was isolation you know. Do y'all like isolation?

But we have to give this final message. In every generation God has sent his servants to rebuke sin both in the world and in the church in every generation thus the message of the third angel will be proclaimed as a time comes.

For it to be given with the greatest power the Lord will work through humble instruments the sins of Babylon will be laid open the fearful results of enforcing the observance of the church by civil Authority and we've got solemn warnings I'm giving these are solemn warnings. For the world right now these warnings are because everybody's going to see this in the world if I live till tomorrow right everyone's going to see this I believe they're being streamed right now so they're probably going to see them anyway right brother they're being streamed right now. So by the way we've had I think about about 130 people have viewed the sermon last week Progressive Faith.

You know that I've that I've counted and that was without the congregation because it's not on my website I'm letting you know people are watching people are watching this is you're not here by yourself and and it goes by word of mouth too. Remember that okay it goes by Word of Mouth mouth so it doesn't matter how many people watches it but by word of mouth that's how the latter rain was going to do it to the whole world was going to get the message by Word of Mouth not necessarily the internet we don't necessarily know by numbers when God is going to finish his work.

We know that we're proclaiming it but remember conscientious obedience to the word of God will be will be treated as Rebellion okay. And how many people who have disciplined their children had them taken away because they're consciously doing what the word of God told him to do? You know what I'm saying we are making laws and laws and laws that are go against God's word. It says to train up a child the way she should go but

with God's word you have to be careful it says all who live Godly in Christ Jesus shall suffer persecution. So you have to be careful when you're around the state you have to be careful who you say what to even now you have to be careful. Now this is a testimony that I give to people we know that when we keep all God's Commandments in John chapter 16 it says the Holy Spirit convicts people of sin. You convict people of sin. What is that Ten Commandments right?

You convict people of sin which is Ten Commandments they're breaking the law Ten Commandments righteousness how are you righteous through the Ten Commandments you're keeping the command Commandments. And judgment that's how you're judged. Right now you have these but if you take any of God's commands and change it or don't listen to it you've made yourself a judge of the law you who are you who am I to make myself a judge of the law. Peter says scarcely will righteous man be saved but if I'm a judge of the law I'm no longer a doer of the law by which I'm going to be judged. So this is the testimony is we dare not tamper with God's word dividing his holy law calling one portion essential and another non-essential to gain the favor of the world.

Okay every new truth has made its way against hatred and opposition those who were blessed with its light were tempted and tried. The Lord gives a special Truth for the people in an emergency who in an emergency who dare refuse to publish it when the final warning shall be given it will arrest the attention of these Leading Men through whom the Lord is now working and some of them will accept it and will stand with the people of God through the time of trouble so right now that we have Leading Men in Congress and places that God God has made laws and they're making laws they have been holding back the Winds of strife.

They've been doing these laws but during that time they will take they will take their stand just like Nicodemus and Joseph of arimathea did with when Jesus was there the angel unites in Proclamation third Angel's message is to lighten the whole world with his glory a work of worldwide extent and unwanted power is here fortold the Advent movement 1840 to 1844 was a glorious manifestation of the power of God. The first Angel's message was carried to every missionary

station in the world and in some countries there was the greatest religious interest which hasn't been witnessed since the Reformation of the 16th century. But these are to be exceeded by the mighty movement and the last warning of the third Angel so I'm going to show you right now. Joel is where that is Joel chapter 2 if I can find it here in this Bible um in Joel 2:28 it says that I will pour out my spirit on All Flesh. Right didn't say your your flesh it says your sons and your daughters shall prophesy your old men shall dream dreams your young men shall see Visions it says verse 31 the Sun shall be dark and turn to Darkness the moon into the blood so and the and it says that the right here these signs we know that in the year 1755 we had the earthquake of Lisbon remember that being a sign in Revelation the earthquake of Lisbon we've known this um the wonders in the heavens we've seen the stars fall in 1833 um the moon turned to blood during that time it's the dark day remember who whosoever calls on the name of the Lord shall be saved keep this in mind all always keep that in mind whoever calls on the name of the Lord shall be saved. But verse 23 is what I'd like to focus on right now.

It says be glad then ye children of Zion and rejoice in the Lord your God for he hath given you the former Rain moderately what's the former rain Pentecost he gave you Pentecost what what what was the word say it for me what was it **moderately** say again moderately he gave the former Rain moderately. So do you realize that the latter rain is going to have more power than Pentecost did it's going to be more powerful than Pentecost we're told it's 10 times the power the latter rain is 10 times the power of Pentecost. And it says that that was Hosea 6:3 also said said he give unto us the rain and the latter and the former rain the former rain moderately he will cause come down for the latter rain.

Joel 2:23 the great work of the Gospel is not to close with less manifestation of the power of God and marked its opening. In fact we were praying for Jesse and Jesse died legally twice legally twice he died and we've been praying for him and now he's at home doing this and he's feeding himself. Okay Miracles are being done before our eyes right now the times are refreshing it says that Miracles will be wrought it says the sick will be healed and signs and wonders will follow the Believers.

Satan also works with lying wonders and even bringing down fire from heaven the sight of men Revelation 13:13 thus the inhabitants of the earth will be brought to take their stand so you're just going to have to stand on one side of the other there there's not going to be any in between and if you if you don't take your stand with God then Satan already has you you've already made your stand if you if you haven't taken your stand with God so in Paul's day the gospel was preached to the whole Kingdom already in in Paul's day it was to every to every place in the earth to the uttermost parts of the earth said the gospel was preached.

Well why didn't Jesus come then because it was to be a witness for all nations because Angels were convinced at the cross but men need to be convinced now rational beings need to be convinced they have to see in action what Christians can be through Christ living through them in John 17 it says that when we are one and the church demonstrates the character of God loving one another the way that Christ did then Jesus is going to come. Are we loving our neighbors the way we should be cuz that's that's it but you know there there's going to be a time that God will no longer plead for us if we're not doing it so but remember remember Satan's working and he can suggest these things I want I don't want you to get discouraged I'm giving you tools go watch. Progressive Faith go watch the Simple what was it called the simple Act and we're we're giving tools to do this and remember the closer you get to Christ the more you're going to feel your sinfulness the further you're going to feel you are from him apart from him when it comes to this time. Remember they they're going to know that they've committed these acts and that they've done these sinful acts they're going to know this we're all going to know we've done all we've none of none of us are perfect we've all commit done sinful acts committed things done things that are wrong we've all know we've all had a part in this every one of us but when it comes to it then Jesus still claims us as his and gives us that final Act of saying forever they're saved forever when he declares that and when he calls us righteous he who formed the heavens and said let it be done and the time is going to say.

Daniel says it says when in Revelation says, it is done and when it is done it's going to be done in God's people's character too! He will he will complete that work in you he will complete it so praise the Lord let's pray, 'Father I thank you for Jesus I thank you for his love I I thank you that that you sent Jesus. I thank you all of us

and gave us and gave yourself you
you do everything for us and all all we can do is ascent to to this and as we as
we ascent to this then you will mold our minds and our character Our Lives. You
will do this and we won't even when we
do have our own will when if we consent to let you you will so take your purposes
that you will make us like you you will do this in us and all we have to have is faith
and believe this that you do this
and you will do it! So we in faith reach out to to you today humbling ourselves
realizing our helplessness that we're
nothing without you so now we we just ask in in the silence here that each
person here will make make up their minds that they're going to submit
themselves to you and trust you. We trust you we believe you we're here we
wouldn't and we wouldn't be here if it
wasn't for you. So thank you thank you for bringing us here thank you for these
things in your name amen
