

Lord I ask that you'll take my heart for I cannot give it it's your property, please

keep it pure for I cannot keep it for you please save me despite myself my weak in christlike self mold me fashion me raise me into a pure and holy atmosphere where the rich current of Your Love Can flow through my soul.

Lord, now I invite your presence your Holy Spirit to be here but I know that without you I can do

nothing and I am nothing here and I just pray that you'll send your spirit here to help us and help us

understand and to know you and to to know your love that passes knowledge in your name amen. Now it's very important when we come to scripture not have any preconceived notions when we come to the Bible.

Because when we come to it we have to say pretty much I don't know what this means we have to surrender to the passage and let it speak to us and say 'I know nothing' I do not know any of this.

I completely and utterly need your help. Because when we come to it this we're bowing to the knowledge of the infinite God we're bowing to his infinite wisdom bowing to his divinity. We're bowing to the power of the word we're submitting to it it's so important to submit to this

and so when I come to scripture when it tells me

'that you say you you're rich' and I say I'm rich and when it says to me that I'm poor I say I am poor when it says to me I am miserable I say I'm miserable.

When it says to me I am blind I say I'm blind when it says to me I'm naked I say I'm naked and when it says to me that I don't know it I say I don't know it.

One of the biggest problems or the biggest problem not one of the biggest the biggest problem that we have that I have is of all my problems is pride. Pride is the worst problem of all. Even though it's true that if we have control over our appetite we could overcome everything... I agree but again I believe the biggest spiritual problem is pride.

I can't see because of this. Jesus said that because you say you see you're guilty but if you said I didn't see you would have no guilt I have to be humbled when I come to the word of God and this message here is a message that we cannot as Christians enter into heaven until we see this how poor miserable blind and naked we are. When I do this once I submit to him I am then able to have all things through Christ's strengthens me I am able to have the gospel. That was message of revelation 3. This work was given to our church to do and it had a certain work to do and if it had done its work then I today would not be standing here I would not be standing here today if this message had

message and this message though because it didn't accomplish its work in a few months

people forgot about the message because it didn't immediately accomplish its work.

But if this work had been heeded and when this message was given

then the other message that was given would have been accepted.

So this is a prerequisite to what Peter referred to in Acts chapter 3 verse 19 he said therefore repent ye therefore and be converted that your sins may be blotted out when the times of refreshing shall come from the presence of the Lord. And he shall send Jesus unto you. The sermon before that

previously that Peter gave the previous sermon

in Acts 2 17 he said he said they ask about the early believers being drunk and he said this ..they are not drunk but this is spoken by the prophet Joel it shall come to pass in the last days saith God I will pour out my spirit upon all flesh. Everyone ...and your sons and your daughters shall prophesy your men shall see Visions in your old men shall dream dreams and he was referring to Joel 2 verse 28. Joel 2 28 says 'and it shall come to pass afterward I'll pour out my spirit upon

all flesh and your sons and daughters will prophesy your old men will dream dreams your young men shall see visions and said and also upon the servants and the man handmaids in those days I'll pour out my spirit and I will show wonders in the heavens and in the earth blood and fire and pillars of smoke the sun shall be turned into darkness the moon and the blood before the great and terrible day of the Lord and it shall

come to pass that whosoever shall call on the name of the Lord shall be saved.

And that message in Revelation 14 it says and

I saw an angel fly in the midst of Heaven having the Everlasting gospel to preach unto them that dwell in the Earth for every nation Kindred and tongue and people saying the hour of

your judgment has come this hour of judgment that was spoken of in the book of Daniel in chapter seven it talks about it says but the Judgment shall sit the Judgment shall sit verse 26.

it said verse 22 says and the Ancient of Days came and judgment was given to the Saints of the most high judgment was set it says I saw the night visions verse 13 Daniel 7. I saw the night visions and behold one like the son of man came with the clouds of heaven and came to the Ancient of Days and they brought him before him okay and then Daniel 12. Tells us that 'at that time there will be a time of trouble and that

the book everyone that should be found written in the book so there is a blotting out that takes place a judgment that takes place and the hour of his judgment has come all those found written in the book but this time is accompanied by the gospel message being preached to the whole world and Revelation 18 verse 1 it talks about that and it's the fourth Angel is described I know we talked about the Three Angels message but the fourth Angel here it says that the Earth was lightened with his glory after these things I came I saw another Angel come down from heaven having great power and Earth was lightened with his glory he cried mightily with a strong voice saying Babylon the great is has fallen and has become the habitation of devils and the hold of every false Spirit a cage of every

unclean and hateful bird and verse 4 says come out of her of my people that ye be not partaker of her sins that you receive none of her plagues. I remember growing up and hearing the message that William

Miller gave. William Miller gave the message that Christ was going to come to the Earth in the year 1844 that the Fulfillment of the 2300 day prophecy when he expected Christ's return he did not realize that there was going to be a judgment in heaven he didn't realize that there was a temple in heaven he didn't realize that when he cleansed

the temple the cleansing the temple that there was a temple of in heaven but if you look in Revelation 14 verse 15 it says 'and another angel came out of the temple crying with the loud voice

it says the time has come for they to read right and he said on the cloud it says another angel came out of the temple which is in heaven so there's a temple in heaven. But why did it take people having visions to realize there was a temple in heaven do you understand what I'm saying it's in black and white right here in God's word there's a temple in heaven

and yet I'm telling you this is all in

context of everything that's going on right now right now the whole world is ...they shut down the whole world for the first time ever shut down we are in very serious times very solemn times the world shut down but what do we need to do how is going to affect me right now?

Well it did it has affected you already if you had to stay in your house for a year straight

it's already affected you people you say well how does this affect my personal life well this Beast has shut down the whole world and it's time for you to take notice to take notice this beast has shut down the whole world and so right now the pope is on a campaign an Evangelistic campaign for the whole world and it's serious and he's calling it Green Earth and he wants to make the Sunday a day of rest for the whole world and he's doing an Evangelistic campaign it is serious stuff it's better than any Evangelistic

we've never done that kind of evangelism in our Evangelical churches we have not done that kind of evangelism anywhere in the history of this planet. Let remind you the pope receives worship. I don't think there's an Evangelistic program that's as good as the pope is doing right now you need to look it up and it's it's Green Earth and it's what

he's doing right now but in Revelation 13 it says the world worshiped him. The dragon gave it he gave his power to the Beast. And they worshiped the Beast whose deadly wound was healed and

he had these crowds these heads were written that the names blasphemies blasphemy written on his head.

When they accused Jesus of blasphemy were they accusing him of saying that he was a man and claiming that he was God. So these blasphemies are written on these powers on the head of these Powers. Blasphemy is someone who's claiming to be God someone who's claiming to change times and laws in Daniel 7 verse 25. This beast will change times and laws and yet when we look at this beast power here it says that those who worship the Beast of them said, ' they have no rest date or night who worship the beast and his image' they have no rest day or night.

this is a big attribute of Christians.

A Christian comes to Jesus we come to Jesus all ye that labor and are heavy laden and I will give you rest. Sabado, I will give you rest so you if you are in Jesus you have rest Sabado you have rest when you come to Jesus you have the gospel you have rest but if you don't have Jesus you don't have rest in fact they have no rest day no night who worship the beast and His Image

there's no rest in fact so here we we look at this and we realize about where we are right now yes there's a group of Perfect People 144 000 right Perfect People they're perfect people they've never sinned it they they're just perfect they've never sinned have they yes they have said

we've all seen the ... for the glory of God Amen and but these people now are we supposed to work ourselves up to where we become perfect and we've worked ourselves up and we finally got

come overcome everything and we've we've we've worked all this and we've become perfect is this what's happens?

no no you know what is 144000 sing verse let's look at their song they sing the song Moses and lamb chapter 15 Revelation 4 it says and they sing the song of Moses servant of God and the song of the lamb saying

great and marvelous that I Works Lord God Almighty just and true of their ways it says who shall not fear thee Oh Lord

and glorify their name for only Thou Art holy.

Only Thou Art holy this is the song of the 144 000. Only Thou Art holy and yet Christ declares that these people are perfect and without fault Before the Throne of God but Christ can declare you perfect without fault before the Throne of God right now instantly he can do that for you right now through the gospel it's the gospel going to the world that declares you this

yet he doesn't leave you ashamed he says My people will never be ashamed. he says my people never be ashamed so here we are ... Jesus we're talking about Jesus this is all about Jesus this is about Jesus love how Jesus died for me he gave himself for me Jesus Jesus Jesus sweetest name I know Revelation 10:7. Doing a lot from Revelation by the way yousays but in the days of the voice

of the seventh angel when he begins to sound the mystery of God should be finished the mystery of God what do you think that mystery of God is

the gospel Plan of Salvation okay let's go to

Colossians chapter one verse 27 says to whom God would make

known what is the riches of the glory of this mystery among the Gentiles which is Christ in you this is the mystery

and yet right here we're looking that we're striving for the working which worketh in me mightily

so in verse 23 in Colossians 1 it says if ye continue in the Faith grounded and

settled grounded and settled we will be sealed as we're settled into truth so it's the settling in a truth you continue grounded and settled

that ye be not moved away from the hope of the Gospel. You need to be not moved away from the

hope of the Gospel you need to be settled into the gospel we we're told we're sealed as we're

settled into the truth but I'm telling you you're sealed when you're settled into the truth of The Gospel According to this which you've heard and which was preached to every creature which is under heaven. This was preached to every creature in heaven to All.. it was preached to the whole world already for a witness to All

Nations and then shall the end come. if you think only the gospel has to be preached the world but you're wrong it's already been preached the whole world the gospel is preached to the whole world in Paul's day but it says but he said for a witness to All

to

reflect his character it says the mystery which has been hid from ages in Generations has now made

manifest to his Saints so we have to continue the faith it says in first Colossians 1:14 in whom we have Redemption through his blood even the Forgiveness of sins when you are forgiven your sins you will make very much of forgiveness of sins won't you very much of forgiveness of sins

what are we waiting for we want if we're still alive we want to be translated right we want to be translated would you like to be one of the number to be translated but did you know you have already been translated you know that Colossians 1. verse 13 says who hath delivered from us the power of darkness and have translated Us in to the Kingdom of his dear son I'm already translated right now I'm a new creature through

Christ I'm a new creature and but there's a sealing also that takes place right these these people are

sealed aren't they that a standby foot thrown a drop they're sealed and therefore the gospel is how they are sealed he says when you receive the holy spirit says You by whom ye were sealed

um anybody have that text for me by whom you were sealed oh that you have the Holy Spirit by whom you were sealed

Ephesians 1:13.

...by whom you were sealed

you want to go ahead and read it to me I'm ...with it okay that we should

be to the grace of his glory who first trusted in Christ in whom you also trusted after that he heard the word but true the gospel of your salvation in whom also after that be believed you

were still with that Holy Spirit promising so you were sealed by the Holy Spirit of

promise so Christ has been waiting for his people to be sealed but you're sealed as you receive the Gospel and you're settled into the truth of the Gospel this is not a new thing this gospel there's power Mighty power in the Holy

Spirit there's Mighty power in the gospel this is a continuing continuation of the that we have I can do nothing of myself first

Corinthians 4:4 says I can do nothing of myself

and in First Corinthians 2:13 says we compare spiritual things with spiritual things that we're to have an intelligent faith God works through the Mind Ephesians 1:18 the eyes of your understanding being enlightened. right

in fact um I'm talking about faith

talking about sound mind First Corinthians 14:15 says I will pray with the understanding also sing with the spirit I will pray with the understanding

we're talking an intelligent knowledge of Christ an intelligent knowledge of the Gospel we're not living on just emotions and just feelings

but are we to not allow our minds to just wander on anything no we are to keep control of our minds

and Christ gives us a sound mind when we receive him we actually have the mind of Christ don't we first Corinthians 2:16 and Philippians 2:5 says let this mind be in you it says in Ephesians 1:13 after you heard the gospel you were sealed he says

our body's a temple First Corinthians 1:19. You're a new creature now. When Christ takes possession of you you were you're born again when Christ takes possession of you

and by the second man the Lord of Heaven right the Lord of Heaven and First Corinthians 15:56

in Ephesians 3:7 says the gift of Grace and Ephesians 3:19 says that exceeding greatness of his power the mighty power working in US

have you seen that in you seen that in your life this week ? Have You Been quickened by the Holy Spirit. Jesus dying for my sin is an essential thought of the Gospel it says in First Corinthians 15:2. it says the gospel which I preached into you which you have received and where do you stand by which also ye are saved. How are

you saved ? by the gospel how are you saved?

I don't know okay wait we got to know this you're

saved by the gospel what what's what's the gospel telling you when you're saved by the gospel what how are you saved by the gospel what what is tell me a little bit about it come on talk to me it says Verse 18 First Corinthians 1:18 the preaching of the cross the preaching of the cross to them that perish foolishness but to us which are saved but to us which are saved can you say it to me saved it's the power of God you've got to take the word of God as it reads as it reads

you will make very much a forgiveness of sins

but we need Christ to forgive our sins and to help us to live right. The power of the

a stumbling cross a stumbling block the Laodicean message message do you not see this is the Laodicean message it's the gospel that is the Laodicean message. Christ the power of God the wisdom of God and the foolishness of the world confounds is doing what's this

foolish is the world doing confounding the wise it was fishermen, Carpenters, regular people the original Greek was written in the common language of the people there's nothing special about the words of the in the vocabulary of English or Greek it's the power of God

faith we have to have faith you hear that what do we have to have but of him are ye in Christ verse 30 Corinth First Corinthians 1.

says are you in Christ who is of God is made into US wisdom and righteousness and sanctification and Redemption it says verse 14 and chapter 2 Corinthians says but the natural man receiveth not the things of the spirit of God for they are

foolishness unto him neither can he know them because they are what?

spiritually discerned. Christ took the weak things of the world says eye hath not seen or ear heard entered into the heart of man the things which God hath prepared for them to love

him but God hath revealed them Us by his spirit

for what man knoweth the things of man say the spirit of man which is in him even so the things of God knoweth no man but the spirit of Gods these things also we speak verse 13 not

in The Words which man's Wisdom teaches but which the Holy Ghost teacheth comparing spiritual things was spiritual

the Holy Ghost teacheth the Holy Ghost is a person teaching you

the Holy Ghost teacheth if you think that that the Holy Ghost is not a person you do not know the New Testament you do not know your Bibles go read your Bibles don't go in ... don't go what you think what ... said or somebody else said

I believe Jones ... teaching ... I believe go by the Bible go read your Bible

oh foolish Galatians who's Bewitched you who has Bewitched you to think

that you could commit the sin against the Holy Spirit and think that you're going to be saved

and create division in this church when Christ has one church one gospel one

word One Doctrine and I'm going to preach against it right now because it's dividing

and the Holy Spirit wants to do a work in you

and if you're going to deny the Holy Spirit his power we are not going to receive that latter rain and we are not

going to be one as a church and we are not going to be Christians we're not going to have the unity we're not going to have what John 17 says that we are going to be one and Christ came and Christ The Father loves us as much

The Father loves us as much as he loves Christ the father in John 17 he loves us that much can you imagine how much he loves us

says we preach Christ crucified Philippians 1 verse 9 says not my own righteousness not by the law but of faith it's not by my own righteousness

so with there's a Warfare going on isn't

there second Timothy 1:18 says there's a Warfare going on First Timothy 3:2 says be sober and of good behavior First Timothy 5:18 says do good ready to distribute willing to communicate

Philippians 2:13 says God works in you to will and do with his good pleasure. I'm going to warn you I'm going to teach you I'm going to present you perfect in Christ according to his working which

worketh in me mightily Colossians 1:28,29

says you were complete in Christ Colossians 2:10 Philippians 1:6 as being confident

that he that began and could work in you will perform it unto the day of Jesus Christ

risen with him through faith Colossians 2:12. set your affection on things above

Colossians 3:2 let the peace of God rule in your hearts Colossians 3:15.

But we cannot take pleasure in unrighteousness can we second Thessalonians 2:12 we must have the love of God in patient waiting for Christ 2 Thessalonians 3:5. We have an anchor don't we

second Timothy 1:14 says that good thing which was committed to you keep by the Holy

Ghost which dwelleth in US keep by the Holy Ghost which dwell within us that good thing that was in thee keep by the Holy Ghost Titus 3:5 says renewing by the Holy Ghost. Galatians 3:5. He therefore ministereth to you the spirit.

okay study your Bible!

jails

once a month to preach and over in Clanton and they said you know you can't just

use the ... when you go to jail you can't even use the spirit of Prophecy and I went there and I started teaching people how to be born again you know let me just tell you how to be born again

Okay look at if you look at John chapter 3. We like to say if you're baptized and you're born again right that's not the process Jesus said he said unless you're born in the water spirit

okay but what does it mean to be born in the spirit okay

so verse 14 in John chapter 3 is where he actually talks about it he says there was they said it Moses said a Brazen serpent in the wilderness all who had been bitten by the snake were dying the only way they could be healed was to look and live

your faith is going to make you born again

your faith looking and living is what makes you born again to there's nothing [Music] other than Christ that Mighty power of

Christ will make you born again that's why Paul said I decide not to do anything but preach the cross and preach Christ to preach him crucified

we are not a set of weird people

who believe in some other Prophet or some other thing in some of the way of salvation

this is the gospel that we're teaching amen this is the gospel. Okay so let me tell you about it a little bit about this gospel the holy spirit's given for three things John chapter 16.

[Music] for sin can make the world of sin

how do you how do you convicted of sin do you need the Ten Commandments to be convicted of sin there's ten of them isn't there convicted of sin convicts a sin world of sin righteousness do you need the Ten Commandments for righteousness and judgment do you need the word the ten commands for judgment you need Ten Commandments for all these don't you

okay so sin righteousness and judgment so but what he's doing is he's bringing the law to us that Romans chapter 8 that the law might

be fulfilled in us who walk not after the flesh but after the spirit

so let me let me just we know that

as we go through this Christian walk that we're going through a character development process right so we come and there's one sin that we need to overcome and we see this sin

the holy spirit says oh I haven't seen that one it's kind of a tough one you you bow to that sin and you say okay okay Lord help me and he gives you strength to overcome that sin

and he keeps bringing sins because he does not purify you without your cooperation he doesn't change you without your cooperation he's

going to say this I'm showing you and it gets on them oh no that one's oh I can't

do that one I'm going to run away because that that sin is not it is I I like that one

so okay I about that and he said and he keeps taking this process until until the last sin is overcome and maybe you're translated maybe you're not you know I'm saying you could but there are modern Enochs in our day there are you know there's always been God has always kept Enochs in our day and these Commandments are not Grievous by the way it's the mighty power of the Holy Spirit the mighty power it works in us to will and to do of his good pleasure in fact we know our character development is complete and testimonies ministers tells us that when every impulse constantly Springs from within

to help and bless others then our character developments complete we have become like Jesus okay now but he wants intelligent knowledge so it says I'll put no evil thing before my eyes this includes Television Internet includes places do we go it includes also when we speak things we have to watch because it reacts on

our characters doesn't it whatever we speak we can Speak Life

with our mouth we Speak Life so

if we walk by faith and unfortunately

we can't we can't go by feelings can we we need a mature Faith though we we need to be settled into it and ...but be careful I don't want you to get

discouraged though if you see because remember this you have to be able to reach out in faith and when you see yourself worse and worse when you should see yourself as being worse and worse you're always going to see yourself as being worse and worse amen because the closer you get to Christ the worse you look so you just have to go by faith Reach Out by faith and by faith believe believe believe believe believe

by faith do you understand we have to have that righteousness by faith

was justification by faith and that is a Three Angels message by the way is justification by faith

now but again you have these statements that

he who his faith doesn't allow him to overcome sin doesn't have enough Faith to get him

the kingdom of God! Right he's got you. Know that we have that Faith it's those who disbelieved

were the ones who sinned in the wilderness it's the ones who are believing that

Christ has given the power you can't look at a person tell them if they're believing or not

no you can't it's right here he says he's given to all a major Faith he's also close he's given us the major Grace too and that Grace includes spiritual gifts that we're given now one of the big reasons that you that you don't get the victory you're looking for is you're probably if you're focused

on self rather than ministering for others you're not gonna have victory you're not gonna have Victory if you're

not out ministering for others you you will not have any Victory you cannot have Victory because Christ lived for others he lived

to bless others in fact ... says before I open my eyes in the morning she said

I think what good thing can I do for one of my family members what good thing can I do today for one of my family

members before you open your eyes in the morning ...live to bless people

and when I when I first started going to the

to the jail to preach and I started just reading the New Testament reading and studying and submitting to it and I had something happen

I had the Peace of Christ before but then I got the comfort of the Holy Spirit I never had that before

this happened about in January this happened actually happened after my I preached a sermon in Clanton and before that and then I started going there and doing this

and as I've learned to depend only in the power of this word I have gotten something I never expected I never knew what it was I never knew

but if we spend our time arguing and debating

rather than submitting to this word then we're in trouble and I'm telling you I'm asking you please

study this word I'm asking you this Jesus said to those who believed in him

he said if you continue in my word then then are you my disciples into you to be continuing my word he said then shall

you know the truth and the truth so shall set you free in John 6:53 he said he said that my

words are Spirit my words are life unless we assimilate Christ's life we have to assimilate his life we have to live by the word the holy spirit is in these words the power is in these words

nobody can you can't have me to come do it for you all I can do is tell you

about it and you have to go and drink it yourself you have to taste it you have to assimilate it yourself you have to

study yourself you have to know it for yourself you just don't have to know it though because it's him it's his power

it's his power that works in you it's mightily working in you

I guess the question is um

what what have you done that you should enter Heaven that I should here?

well I really haven't done nothing at all

to deserve it I'm a sinner dependent only on the grace of the Lord I was so wretched

so completely captive and in such a bondage that nobody could deliver me

no one but the Lord himself

so miserable that all I could ever do was to

constantly ...miserable that have the word constantly come for me so poor that I had to constantly beg from the Lord so blind that no one but the Lord could

cause me to see I was so naked that no one could clothe me by the Lord himself

all the claim that I have is what Jesus has done for me but the Lord has loved me when in my

comforted me all the way when in my poverty I begged he gave me riches when in my blindness

I asked him to show me the way that I might know the way

he led me all the way and made me to see

when I was so naked

that no one could clothe me why he gave me this garment that I have on and so all I can present all that I have to

present as that upon which I can enter any claim that would cause me to enter is just what he has done for me if that

will not pass me then I'm left out and that will be just two if I'm left out I have no complaint to

me let's pray Lord

you are so good to us you've given us all these gifts we know the time so we're in right now and we know that we have no

righteousness of Our Own our righteousness our filthy rags so Lord please give us this garment now and I just ask if those who would like

to accept what Christ has for me right now please stand and pray with me

and Lord you see that

the hearts of people and we know we don't have any power to do anything on our own

but through your grace we accept we accept you we accept your righteousness to today we accept you we we pledge ourselves to you

we love you Jesus Because You Loved Us you love us so much and we're so thankful in Jesus name amen
