

## A Prudent Man

### चतुर मनुष्य

We have to become prudent.

Becoming prudent means becoming humble.

Humble people are learners.

Learners are the one who will grow.

Prudent will depend upon God.

Prudent will love God.

Prudent will listen to the Godly advice.

Prudent people are not the people who will argue.

Prudent people can be shaped in character because they are not rigid in nature.

हमें चतुर बनना होगा।

चतुर बनना अर्थात् नम्र बनना।

विनम्र लोग सीखने वाले होते हैं।

सीखने वाले वही हैं जो आगे बढ़ेंगे।

चतुर ईश्वर पर निर्भर रहेगा।

चतुर परमेश्वर से प्रेम करेगा।

चतुर व्यक्ति ईश्वरीय सलाह को सुनेगा।

चतुर लोग वे लोग नहीं हैं जो बहस करेंगे।

They are not defensive.

They are not foul mouthed.

They quickly change in their ways and do what is right.

They do not allow their pride to swallow their growth.

They are willing to learn.

Prudent people want to clear their ways of thorns and thistles.

They want the crown of life.

चतुर लोगों को चरित्रवान बनाया जा सकता है क्योंकि वे स्वभाव से कठोर नहीं होते।

वे रक्षात्मक नहीं हैं.

वे बदजुबान नहीं हैं.

वे तुरंत अपने तरीके बदल लेते हैं और वही करते हैं जो सही है।

वे अपने अहंकार को अपने विकास को निगलने नहीं देते।

वे सीखने के इच्छुक हैं.

चतुर लोग अपने मार्गों को काँटों और ऊँटकटारों से साफ़ करना चाहते हैं।

वे जीवन का मुकुट चाहते हैं.

When you see the nature of a person, then you will know what that person will be.  
David is not a king but he is still behaving like a king.  
He is not a king, but he is still taking care of the people in his territory.  
The way you behave today, that you will become tomorrow.

We need to honor who has been added to your life.  
And he has already been a blessing or he has blessed your life, then please don't overlook them.

## **Prudent man has vision.**

That prodigal son was sitting with pigs, whereas he was supposed to be with his father.

Don't be such a person, whom nobody can talk to. Be Prudent.

Don't hurt those people so badly, who have blessed you, that you lose them  
You will also lose the favor of God.

### **1 Samuel 25:4-43**

Some wives have to pay because of her husband.

Irony of this passage is that Nabal is a rich man.  
He is wise but foolish.  
He is wise in his work but foolish in his relationship.  
He is wise in his work but foolish with God.

## **You can be a wise fool.**

Abigail was unable to speak to her husband Nabal.

But she is able to speak to David, because she knew, that David can understand. She knew that she could teach and tell David. She explained to David that you don't take revenge by doing foolish activities. David humbly accepted her teachings. David understood that he cannot behave like pigs and go to those pigs' level, to take revenge. Let God take revenge.

David listened to her and he was thankful to her.

### **Proverbs 22:3-6**

The simple person is punished because that person keeps moving on the wrong path. While wise hides.

This prudent man is a man with humility. This man is the man who fears the Lord. This man who is humble and fears the Lord is filled with the riches, honor, and life.

So by now we have understood that humility, wisdom and fear of the Lord are intertwined. And this kind of person is a **prudent person**.
