

Don't lose your passion

अपना जज़बा मत खो

Don't lose your passion for God and for the purpose God has for you.

Below are the times when we start losing our Passion for God :

- When things go wrong in our life.
- When you want the things of the world above God you start losing your passion for God.
- When Things go wrong with the same job that you were so passionate about, now you no longer like it.
- When Things go wrong in the same marriage that you were so passionate about, now you are no more happy.
- When things go wrong the same ministry that you were passionate for seems to be a burden.
- You got sick or you got corrected or a warning letter, you want to quit your job.
- You had an argument in the marriage you want to quit on your spouse.
- Your child failed. You want to quit on your child.
- Your face drops, your voice becomes low And you are like I am done I am done.

We know when we start losing our passion, when we start grumbling and being sorrowful.

But we see here from the lives of people who didn't lose their passion for God and the passion for the purpose of God.

1. Joseph

Genesis 39:7-9

When Potiphar's wife asked Joseph to sleep with her, he refused by saying how then can I do this great wickedness, and sin against God?

He is in Egypt, where no one worships Jehovah.

There's no one who could have guided this young man or mentored him, But we see He has not forgotten the God he loved, served and worshiped in his father's house.

Joseph hasn't lost his passion for God.

People, when you go back into the world Be like Joseph.

- Love God
- Worship God
- Fear God
- Obey God

Now listen this Joseph had been given a dream , a purpose by God

And the dream he had was :

Genesis 37:6-7

Here we see,

The Purpose of God in Joseph's life was to be a nourisher of his family and to rule in Egypt.

But his brothers who heard his dream hated him so much that they kicked & threw him into the pit. Sold him as a slave

And we see in

Genesis 40:7-8,12,14-15

We see Joseph is ready to use his gifts in the jail.

Joseph has not lost his passion for God and for the dream and purpose that God has for him

Joseph knew that God had given him a gift to interpret dreams.

Joseph knows that he is not made for the place and he interprets chief Butler's and cupbearer's dream.

He is ready to use his gift even in the most hopeless situations because he kept his passion for the purpose of God alive in his life. He focused on what God can do through him and for him

And we see after two years have passed, Joseph is still in jail and he has been forgotten by chief butler.

Genesis 40:23

But once King had a dream which no one could interpret, then the chief Butler remembers Joseph and he has been called upon by the king.

And Bible says

Genesis 41:14 - 16

Genesis 41:38-41,44,46

And when Joseph Interprets King's dream he Became incharge of the whole land of Egypt and he got married and got a wife and had two sons.

And we see in

Genesis 42:6

When his brothers who put him into the prison came to buy corn from him, they couldn't recognise Joseph .The dream that Joseph had came true.

The dream will come true if you don't lose your passion for God and the purpose He has for you.

Joseph did not lose passion for God and the purpose of God in his life.

2. JESUS

Matthew 26:38-39

Before going to cross he was sorrowful but he prayed, he didn't lose his passion for cross.

Colossians 2:14-15

Jesus spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.

Don't lose your passion to fulfill the purpose that God kept in your life.
