From the bottom of my heart, thank you for being part of the Love Heals Youth family. Your generosity and servant hearts are changing lives. Together, we are proving that love has the power to heal, restore, and uplift. There is no such thing as too much love, and because of you, we are sharing that love in abundance.

A Prayer for Healing

Father, bring healing to the hearts of foster youth who have endured pain and loss. Restore their joy and heal their brokenness.

"He heals the brokenhearted and binds up their wounds." (Psalm 147:3)

Let's Change the Statistics

There are over 30,000 children in the Texas Foster Care System. To put that in perspective, that is enough to fill The Cynthia Woods Mitchell Pavilion AND Toyota Center — and still not have enough seats.

This is why our mission matters. Together, we are restoring healing, hope, and Christ-centered values to those who are too often neglected and forgotten.

How LOVE truly heals...

We're thrilled to introduce a new financial literacy segment in our monthly counseling days! Through hands-on lessons in saving, spending, and investing — paired with real-life practice in our Clothes Closet — we're equipping youth with essential life skills. This preparation empowers independence and shows that love truly heals, strengthens, and equips youth for lifelong success.
