

## JOIN THE MISSION

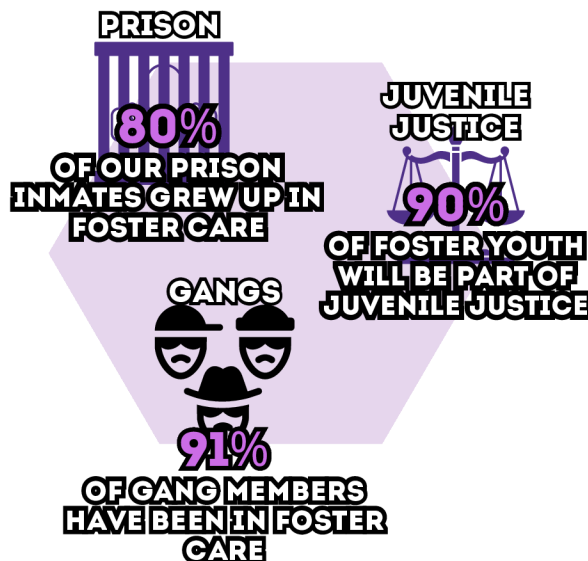

Too many foster youth live unseen. Together, we can bring them hope, dignity, and love. Explore our mission inside!

*Sometimes you change a life just by showing up*

### MISSION STATEMENT

Love Heals Youth provides an array of counseling services to help foster youth heal and find hope for their future. In time, LOVE will HEAL all wounds.

# ANNUAL EVENTS

## POWER OF LOVE GALA

*January of each year*

The Power of Love Gala is our most inspiring night of the year—an elegant evening that celebrates the impact of our mission, honors those who make it possible, and raises critical funds to expand our services. The event features powerful stories, a special recognition of our Heart of Gold Award recipient and Counselor of the Year, and a moving auction that includes artwork created by the foster youth during therapy sessions.

## CONCERT FOR LOVE

*Fall of each year*

Concert for Love is a free community event designed to raise awareness for the forgotten foster youth living in orphanages right in our own backyards. This joyful outdoor concert invites the community to come together while giving foster youth a unique opportunity to enjoy live music, food, and fellowship—many experiencing a concert for the very first time.

## CORE MISSIONS & SERVICES

### FREE MENTAL HEALTH COUNSELING FOR FOSTER YOUTH

Providing trauma-informed counseling services to youth living in orphanages, using a foundation of truth and love rooted in Maslow's Hierarchy of Needs to promote lasting healing.

### LOVE HEALS LEADERSHIP SERIES

Hosting monthly Day of Counseling events that build leadership skills, teach emotional coping strategies, and foster community through themed sessions, prayer, music, and mentorship.

### MOBILE CLOTHES CLOSET

Delivering dignity and confidence through a stocked mobile trailer that brings new and gently used clothing directly to foster youth—removing logistical barriers and allowing them to shop for clothing that meets their needs and style.

### WELCOME HOME BAGS

Offering immediate comfort and care to newly placed foster youth with thoughtfully packed duffel bags that include essentials like hygiene items, blankets, Bibles, stuffed animals, and love notes from kids in the community.

# FAITH PARTNERS

Faith partners play a vital role in the mission of Love Heals Youth, coming alongside us to meet the everyday needs of foster youth living in orphanages right in our own backyards. From providing potluck meals during our monthly counseling events to organizing donation drives, hosting birthday celebrations, or making annual commitments to support our programs, there are countless ways for the community to get involved. These partnerships not only help meet physical needs but also show these children the love and consistency they've long been missing. Together, we can make a powerful and lasting difference in the lives of youth who desperately need to know they are seen, supported, and not forgotten.
