

# Waterfowl Adventures in Alaska

Kenai Peninsula • Kodiak Island • Aleutian Islands • St. Lawrence Island

## Carl J. Melichar • Artist

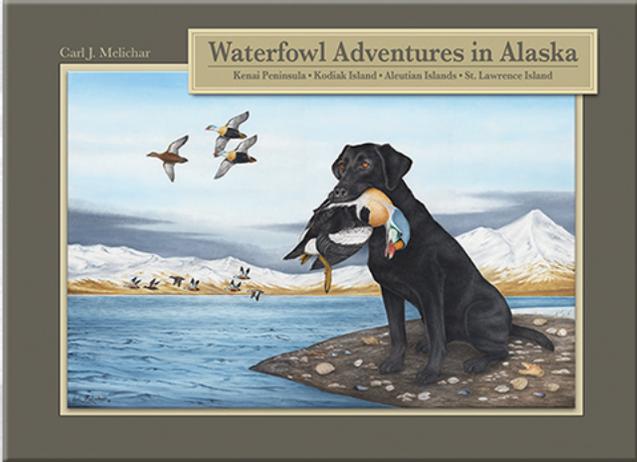

This is Carl J. Melichar's second Alaska Waterfowl book. Carl published "Spectacled Eiders of the Far North at the Bering Sea" in 2021.

Carl Melichar is a waterfowl painter, sporting dog artist, photographer, videographer and now author of two Alaska adventure chronicles.

Carl's new book includes Alaska waterfowl journeys, spanning 4 decades, from 1977 to 2015.

"Waterfowl Adventures in Alaska" has wildlife artwork throughout the book, contributed by Carl Melichar, Richard Schiebel, Les Kouba and other renowned Minnesota wildlife artists. Also included are photos and harrowing stories from all of Carl's waterfowl escapades to the great north.

*Carl's travels led him throughout the Kenai Peninsula, Kodiak Island, the Aleutian Islands and St. Lawrence Island  
~ 1977 - 2015 ~*

*Emperor Geese on the Aleutian Islands • 1998*

*Carl's artwork from chasing Kings • 2010*

“Waterfowl Adventures in Alaska” follows Carl’s adventures from one end of Alaska to the other! The Aleutian Islands to the Kenai Peninsula, to pursuing Spectacled Eiders on St. Lawrence Island. Forty plus years studying sea ducks, especially eiders, collecting specimens and recording Alaska via film and video. Friendships were made and many trips with lifelong friends, Richard Schiebel and Charles Hanson. You won’t be disappointed as you follow along with Carl through four decades of chasing Alaska!

*Carl & Whirlwind hunting Nikolski Beach • 1998*

*Richard Schiebel with a nice Barrow's Goldeneye, on Kodiak Island • 1987*
