

Waterfowl Adventures in Alaska

Kenai Peninsula • Kodiak Island • Aleutian Islands • St. Lawrence Island

Carl J. Melichar • Artist

This is Carl J. Melichar's second Alaska Waterfowl book. Carl published "Spectacled Eiders of the Far North at the Bering Sea" in 2021.

Carl Melichar is a waterfowl painter, sporting dog artist, photographer, videographer and now author of two Alaska adventure chronicles.

Carl's new book entails waterfowl journeys spanning 10 trips to Alaska, from 1977 to 2015.

"Waterfowl Adventures in Alaska" has world class artwork throughout the book, contributed by Carl Melichar, Richard Schiebel, Les Kouba and other renowned Minnesota wildlife artists. Also included are photos and harrowing stories from all of Carl's waterfowl escapades to the great north.
