2020 FESTIVAL CANCELLATION

As the State, Nation, and World all cope with CORONAVIRUS and its negative effects on healthy living, decisions must be made on a daily basis. Guidelines and Recommendations have been issued by various agencies, including CDC and ADPH. Locally, a State of Emergency has been declared by the Elected Officials of Macon County and the City of Tuskegee.

In the midst of this (CORID-19) Pandemic, the Carver Festival Board of Directors convened today (via. Conference Call) in a very deliberative meeting to chart our course for the 2020 Scheduled Carver Festival. By a unanimous vote, the Board agreed to:

.CANCEL THE CARVER FESTIVAL FOR 2020.

This action will be widely announced-distributed-circulated to our Vendors, Invaluable Festival Contributors, and Thousands of Attendees. The designated Website will also be utilized to convey the message: www.carverfestival.org.

In the meantime, the Carver Festival Volunteers are ‘Our Real Wings of Past Planning and Will Remain In Flight.’ We are only on a Leave of Absence, for No Volunteer Is Terminated!!!! Please continue to observe sound and healthy living styles for you and your family.
