

ATTENDANCE POLICY

- Students must arrive no earlier than 10-15 minutes before class.
- All students must be **READY TO DANCE** at the start of each class.
- Late students may only enter with permission from the director/teacher.
- To ensure the student's progress, please make every effort to attend each class. After 5 absences throughout the season, The Lead Dance Company staff may contact parent/guardian to evaluate students' class placement.
- After 10 absences, The Lead Dance Company staff may remove the dancer choreography regarding competition and/or recital.
- All decisions concerning removal of a dancer from choreography are at the teacher's discretion, and in the best interest of the dancers.
- For my middle school and high school dance team members, you will not have to choose between dance class and dance team. I will always encourage you to share your talent. I'll do my best to accommodate your game schedule and offer makeup classes when time and space permits.
- The week of recital will include rehearsals, stage rehearsals, dress rehearsals etc. These are all **MANDATORY** in order for the dancer to participate in the recital.
