

## ***Silhouette***

I withdraw stacks  
To place on the tables  
I let you call the shots

You love to turn heads  
So our love, I want to test

Gambling my love  
Is the game I play best

Tell me-  
Are you willing to place bets

Would your eyes spin  
on a ride of Russian roulette  
with my silhouette

Tell me-  
Are we like Romeo and Juliette  
Would you too, die of poison shots  
If you thought me to be dead
