

Rainbow Love

You were my guy
I let you fly high
I gave you my lows
So you'd be the 'lead' of all shows

I certainly tried
But you gave me no credit

Apologies-
With money and gifts, you tied

My love, has a natural flow
It's not something you can buy
It's made of rainbows
It's neither shy nor dry

You can't make me cry
I've got 'love' in my eyes

I gave you my all
So you could stand tall

I'm taking it back!
No more living a fairytale

I'm not for sale!
