

## ***Glued Heart***

Me and you,  
Grow apart?

You're nuts!

Me and you,  
Are glued into one heart!

You've got mine  
choked in between your fingers  
I've got yours  
choked in between mine

Everything is fine  
Stop thinking I'm willing to leave you behind

This love is threaded shut  
With seams that no scissors can cut  
Stop thinking I'm willing to leave you behind
