

## ***Life A Scheme***

If Hell is on earth  
And Heaven is somewhere beyond the skies  
Then what's in between

What else gives birth  
What else shouts cries  
What else is there- unseen

Is there a dark tunnel  
With a final light beam  
That forces one to redeem

Are there negotiations that funnel  
Are there deals in exchange for lifelong dreams  
Or is life truly just, a confusing scheme
