

## ***Desire On Fire***

He keeps jumping in the fire pit  
just to burn a desire  
That so easily transpires

He keeps it hidden to the public  
Because it's borderline-  
Frowned upon and forbidden

He keeps on heating up in private  
Stopping at the borderline-  
of hearts over beating

It's, desire on fire

One he may never want to quit  
but may be forced, to retire

Before, it backfires
