

Love Wrapped In A Bow

Why hide your love
To your mother
Who gave you life
In a world, you otherwise
Would have never known

Put it up for display
and make it your own show!

Gift it to her,
Wrapped in a giant bow!

Show her with words
as delicate as a white dove
Not as cold, as melting white snow

Because I'm sure,
Even a simple "hello"
Can surely cure a hidden sorrow

Live in the "today"
Never wait till "the tomorrow"
