

## ***Dusted Heart***

If tomorrow,  
I'm too far-long gone

And evaporated-  
From this God given Earth,  
As sawdust, into the hands of the winds

Please don't cry my pain  
Because what I feel inside-  
Is more than just, disdain

Shedding a tear, for me  
Will bring you- absolutely no gain

You wouldn't know-  
Because my heart,  
To you, was just a wooden toy  
and you played it till you shaved it

And dust, I re-became
