

## ***Don't Fight Me***

Perhaps, it's that you- cannot handle me  
Because I'm just too romantic?

But baby, only to love you!

Perhaps, it's that you- cannot love me  
Because I get too frantic?

But baby, only to lose you!

You don't understand  
That when you're near, you create magic  
Inside this body of mine  
and my thoughts, turn wildly "exotic"

Why fight what you know-  
Makes you feel so fantastic?

`cause baby, we all can see, when you expand-  
And I, just want to lend you a hand
