

Concealed Love

He told me to trust
So I did
He told me not to fuss
So I didn't
He told me to believe
So I did
He told me not to leave
So I didn't

I tried to adjust
To a love life- concealed by pure lust
But he made it all about him
And soon, revealed it was entirely unjust

It took me too long- to realize that his thrust
Was only filling my heart with disgust

He told me not to leave
But today, break free
I must!
