

Sinful Self

I'm hanging in the Garden of Eden these days
Don't bother my peace
with your snake poison
and sinful self

You can't be nice

- Therefore -
Your negative vibe
Is not acceptable
In my paradise

You've got a horrible vice
I won't allow you to be my demise

You have a right to exercise your right to criticize

But you don't have a right
To compromise the place- where I harmonize
