

## ***Wayback***

No one pays  
No one invests  
You can't win any contests

That's because-  
You're stuck on 'wayback' 'then'

I'm on e-books  
You're still on printed magazines

That's because-  
You're from the 'wayback' 'when'

You need a time machine  
To bring you to my futuristic scene
