

Think Anixter for all of your
utility power solutions needs.

- Generation
- Distribution
- Security and Life Safety
- Transmission

- MRO
- Infrastructure
- Data Center

Build. Connect. Power. Protect.

THINK ANIXTER

GENERATION

- Copper and fiber data center infrastructure
- Electrical products
- Industrial networking and communications
- Wire and cable (electrical and electronic, low-, medium- and high-voltage)

TRANSMISSION

- Arrestors
- Connectors
- Fiber optic cable
- Insulators
- Pole and cage structures
- Pole line hardware
- Wire and cable (electrical and electronic, low-, medium- and high-voltage)

DISTRIBUTION

- Capacitor banks
- Complete lighting solutions (LED solutions) and design services
- Cross arms, braces and structures
- Electrical distribution equipment
- Fiber/FTTX solutions
- Metering components, sockets and switches
- Pole line hardware
- Poles, structures and substation connectors
- Reclosures
- Smart grid solutions, metering and communications
- Switchgear, panel and switchboards
- Transformers, power supplies
- Wire and cable (electrical and electronic, low-, medium- and high-voltage)

MRO

- Abrasives and cutting tools
- Chain slings, rope and hoist
- Chemicals and lubricants
- Cleaning and janitorial
- Consumable supplies
- Daily work wear (FR and non-FR)
- Hot sticks
- Portable engineered lighting
- Power and hand tools
- Safety and PPE (low, medium and high-voltage)
- Signs, tapes, tags, markers and labels
- Sorbents
- Storage and material handling

SECURITY AND LIFE SAFETY

- Access control
- Alarms, horns, signaling devices
- Cameras (network and analog)
- Control panels
- Electrified door hardware
- Fire systems
- Intrusion detection
- Mass notification
- Mechanical door hardware
- Monitors
- Motion detectors
- Servers and storage
- Sound, paging and intercom
- Strikes, locks and contacts
- Thermal and thermographic solutions
- Video surveillance

INFRASTRUCTURE

- Conduit, cable tray, boxes and fittings
- Controls, relays, pushbuttons, fuses
- Enclosures, wireway, raceway
- Fasteners, cable ties
- Fuses, cutouts and safety devices
- HMI, power line controllers
- Molded rubber products and connectors
- Pads, pedestals and enclosures
- Terminals, wiring devices, connectors

DATA CENTER

- Fiber and copper cabling
- Physical security solutions
- Busway
- Electrical infrastructure
- Environmental monitoring
- DCIM software
- Cabinet access control
- Aisle containment
- Lighting
- UPS systems
- Cable pathways
- Racks and cabinets
- Automatic transfer switches
- Rack and floor PDU's
