Stage 1 Checklist Complete

Stage 2 Checklist Complete

Airman Knowledge Test Complete

IACRA Application Complete

Renter's Insurance Valid

Practical Test Binder Complete

Logbook w/ Required Endorsements

Stage 1 Check Complete

Stage 2 Check Complete

Stage 3 Check Complete

Student File Complete

Stage 3 Check Rubric:

Stage 3 Check will be conducted as a mock practical test. There will be both an oral and flight portion. All applicable elements of the ACS will be assessed

The applicant will be provided with a scenario to plan for in advance of the stage check. This check should be scheduled as two sessions, one (2.5hrs) for the ground and one (3.5hrs) for the flight. These sessions may be scheduled together or separately

The applicant should come prepared with all the resources they intend to use during their practical test

The applicant should come prepared with a completed Pre-flight / Airworthiness worksheet, personal minimums worksheet, navigation log for the given scenario, along with all other preflight planning information and documents

The applicant should have their logbook totaled and tabbed and be prepared to present it to the check instructor for review

The applicant should access and tab the maintenance logs for the plane to be used in advance of the check and be prepared to discuss determination of airworthiness including inoperative equipment

The applicant should have with them all required personal documents

The applicant should come prepared with all necessary equipment to include a view limiting device

The applicant and recommending instructor should treat this as a real checkride to help provide the highest fidelity training to the applicant
